ASSET PURCHASE AGREEMENT

This Asset Purchase Agreement (this "Agreement") is made and entered into as of November 24, 2021, by and between Akkadian Enterprises, a Nevada corporation ("Buyer"), and Synergy Blue, LLC, a limited liability company organized under the Laws of the Augustine Band of Cahuilla Indians ("Seller"). Capitalized terms used herein and not otherwise defined will have the meanings set forth in Section 6.1.

WHEREAS, Seller desires to sell the Assets to Buyer and Buyer desires to purchase the Assets from Seller, subject in each case to the terms and conditions set forth in this Agreement; and

WHEREAS, Seller and Buyer will each receive substantial consideration as a result of the transactions contemplated by this Agreement.

NOW, THEREFORE, the parties hereto (each, a "Party" and, collectively, the "Parties"), in consideration of the mutual representations, warranties and covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, agree as follows:

ARTICLE I PURCHASE AND SALE OF ASSETS

Section 1.1 Purchase and Sale of Assets. Upon the terms and subject to the conditions set forth in this Agreement, at the Closing, Seller hereby sells, transfers, assigns and conveys ("Transfer") to Buyer, and Buyer purchases from Seller, free and clear of all Encumbrances (other than Permitted Encumbrances), all of Seller's right, title and interest in, to and under all of the properties, rights and assets of every kind and nature, tangible and intangible, whether real, personal or mixed, whether accrued, contingent or otherwise and wherever situated or located, relating to or used or held for use in connection with, the Business (other than the Excluded Assets) (collectively, the "Assets"), including, without limitation, the following:

- (a) the Acquired Intellectual Property;
- (b) the Acquired Software;
- (c) all inventory, finished goods, raw materials, work in progress, packaging, supplies, parts and other inventories used in connection with or relating to the Business;
- (d) all furniture, fixtures, equipment, machinery, tools, vehicles, office equipment, supplies, computers, telephones and other tangible personal property;
- (e) all of Seller's rights under warranties, indemnities and all similar rights against third parties to the extent related to any Assets;
- (f) originals, or where not available, copies, of all books and records relating to the Business, including sales history, customer purchasing histories, customer and consumer complaints received by Seller, commercial invoices and entry documents; and
- (g) all goodwill and the going concern value of the Business.

Section 1.2 Excluded Assets. Notwithstanding anything to the contrary herein, nothing herein will be deemed to constitute an agreement to Transfer the Excluded Assets to Buyer, and Seller will retain all right, title and interest to, in and under the Excluded Assets.

Section 1.3 Assumption of Liabilities. On the terms and subject to the conditions set forth in this Agreement, at the Closing, Buyer will assume and agree to pay, perform or otherwise discharge only the Liabilities of Seller set forth on Schedule 1.3 (collectively, the "Assumed Liabilities"), and no other Liabilities.

Section 1.4 Excluded Liabilities. Notwithstanding anything to the contrary herein, Buyer will not assume and will not be obligated to assume or be obliged to pay, perform or otherwise discharge any Liability of, or Liability against, Seller or any of Seller's Affiliates, of any kind or nature, whether direct or indirect, and Seller will be solely and exclusively liable with respect to all Liabilities of Seller or any of its Affiliates, other than the Assumed Liabilities (collectively, the "Excluded Liabilities").

Section 1.5 Non-Assignable Assets.

(a) Notwithstanding anything to the contrary in this Agreement, and subject to the provisions of this Section 1.5, to the extent that the Transfer or attempted Transfer to Buyer of any Asset would result in a violation of applicable Law, or would require the consent, authorization, approval or waiver of a Person who is not a party to this Agreement, and such consent, authorization, approval or waiver has not been obtained prior to the Closing, this Agreement will not constitute a Transfer or an attempted Transfer thereof (each such Asset, a "Specified Asset"). The Closing shall occur notwithstanding the foregoing without any adjustment to the Purchase Price on account thereof. Following the Closing, Seller will, at the written request and sole expense of Buyer, use commercially reasonable efforts to obtain any such required consent, authorization, approval or waiver with respect to the Specified Assets. Once such consent, authorization, approval or waiver is obtained, Seller will Transfer to Buyer the relevant Specified Asset to which such consent, authorization, approval or waiver relates for no additional consideration.

(b) To the extent that any Asset cannot be transferred to Buyer following the Closing pursuant to this Section 1.5 (each, a "Non-Assignable Asset"), (i) Buyer and Seller will, to the extent permitted by applicable Law, use commercially reasonable efforts to enter into such arrangements (such as sublicensing), at no additional consideration, to provide to Buyer the benefit of such Non-Assignable Asset as of the Closing, (ii) Seller shall pay over to Buyer all monies collected by or paid to Seller in respect of such Non-Assignable Assets relating to the period from and after the Closing, and (iii) Buyer shall have the sole responsibility for all Liabilities arising out of such Non-Assignable Assets to the extent that the same would have constituted Assumed Liabilities as of the Closing had such consent, authorization, approval or waiver been obtained.

Section 1.6 Purchase Price. The purchase price for the Assets (the "Purchase Price") will be \$400,000.00 (the "Cash Purchase Price") plus the dollar value of the Assumed Liabilities.

Section 1.7 Time and Place of Closing. Subject to the terms and conditions of this Agreement, the consummation of the transactions contemplated by this Agreement (the "Closing") will take place remotely by procedures agreed to by counsel for each of Buyer and Seller on the date of this Agreement (the "Closing Date"). The Closing will be effective as of 12:01 a.m., Pacific Standard Time, on the Closing Date.

Section 1.8 Closing Transactions.

(a) At the Closing, Buyer will deliver to Seller the following:

(i) the Cash Purchase Price by wire transfer of immediately available funds to the account designated in writing by Seller prior to the Closing;

(iv) a bill of sale for the tangible Assets in form and substance mutually agreeable to the Parties (the "Bill of Sale"), duly executed by Buyer;

(v) a Patent License Agreement granting Buyer a non-exclusive, perpetual license in the Excluded Assets in exchange for a royalty payment as described more fully therein (the "License Agreement"), duly executed by Buyer; and

(vi) offer letters for employment with the Transferred Employees in form and substance mutually agreeable to the Parties (each, an "Offer Letter"), duly executed by Buyer (or an assignee of Buyer) as employer.

(b) At the Closing, Seller will deliver to Buyer, or cause to be delivered to Buyer, the following:

(i) the Patent Assignment Agreement, duly executed by Seller as assignor for the benefit of Buyer as assignee;

(ii) the Assignment and Assumption Agreement, duly executed by Seller;

(iii) the Bill of Sale, duly executed by Seller;

(iv) the License Agreement, duly executed by Seller;

(v) a properly completed and executed IRS Form W-9, duly executed by Seller; and

Section 1.9 Delivery.

(a) At the Closing, all Assets which are capable of being delivered via Electronic Delivery will be delivered to Buyer or its assignee through Electronic Delivery. Each of Seller, on the one hand, and Buyer, on the other hand, will bear its own costs and expenses in connection with Electronic Delivery.

(b) After the Closing, Seller will make available all Assets not capable of being delivered via Electronic Delivery for retrieval by Buyer during normal business hours and Buyer will, at its sole cost and expense, retrieve, or cause to be retrieved, such Assets. After the Closing, Seller will use commercially reasonable efforts, at the sole cost and expense of Buyer, to (i) notify any third party in possession of an Asset of the Transfer of such Asset, and (ii) request that such third party deliver such Asset to Buyer.

Section 1.10 Purchase Price Allocation. The Purchase Price and the Assumed Liabilities (plus any other amounts treated as additional consideration for the Assets under the Code) will be allocated among the Assets in accordance with the allocation statement set forth on Exhibit II and Section 1060 of the Code and the Treasury Regulations thereunder (the "Allocation"). Buyer and Seller and their respective Affiliates will be bound by the Allocation and will prepare and file all Tax Returns, including IRS Form 8594, in accordance with the Allocation, and will not take any position (whether in audits, Tax Returns or otherwise) that is inconsistent with the Allocation, unless otherwise required by applicable Law. The Parties shall cooperate in good faith to revise the Allocation, if necessary, consistent with any subsequent adjustments to the Purchase Price pursuant to this Agreement.

ARTICLE II REPRESENTATIONS AND WARRANTIES OF SELLER

Section 2.10 Disclosure. No representation or warranty by Seller in this Agreement and no statement contained in the Disclosure Schedules or any certificate or other document furnished (or to be furnished) to Buyer pursuant to this Agreement contains any untrue statement of a material fact, or omits to state a material fact necessary to make the statements contained therein, in light of the circumstances in which they are made, not misleading.

ARTICLE III REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer hereby represents and warrants to Seller that the following representations and warranties are true and correct as of the Closing:

Section 3.1 Authority; No Conflict.

(a) Buyer is a corporation duly organized, validly existing and in good standing under the Laws of the State of Nevada. Buyer has the requisite corporate power and authority to enter into this Agreement and to consummate the transactions contemplated by this Agreement. The execution and delivery of this Agreement and the agreements contemplated hereby and the consummation by Buyer of the transactions contemplated by this Agreement have been duly authorized by all necessary action on the part of Buyer. This Agreement has been duly executed and delivered by Buyer and constitutes the valid and binding obligation of Buyer, enforceable against Buyer in accordance with its terms, subject, as to enforcement, to (i) applicable bankruptcy, insolvency, reorganization, moratorium or similar Laws now or hereinafter in effect affecting creditors' rights generally and (ii) general principles of equity.

(b) The execution and delivery of this Agreement by Buyer does not, and the consummation by Buyer of the transactions contemplated by this Agreement will not, (i) conflict with, or result in any violation or breach of, any provision of the organizational documents of Buyer; (ii) result in any violation or breach of, or constitute (with or without notice or lapse of time, or both) a default (or give rise to a right of termination, cancellation or acceleration of any obligation or loss of any material benefit) under, or require a consent or waiver under, any of the terms, conditions or provisions of any note, bond, mortgage, indenture, lease, Contract or obligation to which Buyer is a party or by which it or any of its properties or assets may be bound; or (iii) conflict with or violate any permit, concession, franchise, license, judgment or Law applicable to Buyer or any of its properties or assets, except in the case of clauses (ii) and (iii) for any such conflicts, violations, defaults, terminations, cancellations or accelerations that would not reasonably be expected to materially impair Buyer's ability to consummate the transactions contemplated by this Agreement.

(c) To Seller's knowledge, no consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental Entity is required by or with respect to Buyer in connection with the execution and delivery of this Agreement by Buyer or the consummation by Buyer of the transactions contemplated hereby, except for such consents, approvals, orders, authorizations, registrations, declarations, filings or permits as may be required under the Laws of any jurisdiction in which Buyer conducts any business or owns any assets, the failure of which would not reasonably be expected to materially impair Buyer's ability to consummate the transactions contemplated by this Agreement.

Section 3.2 Brokers. No broker, finder or investment banker is entitled to any brokerage, finder's or other fee or commission in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of Buyer.

Section 3.3 Actions. There is no Action pending or, to the knowledge of Buyer, threatened against or by Buyer that challenges or seeks to prevent, enjoin, or otherwise delay the transactions contemplated by this Agreement.

Section 3.4 Solvency. As of the Closing and immediately after consummating the transactions contemplated by this Agreement, Buyer will not (a) be insolvent (either because its financial condition is such that the sum of its debts is greater than the fair value of its assets or because the present fair salable value of its assets will be less than the amount required to pay its probable liability on its debts as they become absolute and matured), (b) have unreasonably small capital with which to engage in its business or (c) have incurred debts beyond its ability to repay such debts as they become absolute and matured. No transfer of property is being made and no obligation is being incurred in connection with the transactions contemplated hereby with the intent to hinder, delay or defraud either present or future creditors of Buyer. In connection with the transactions contemplated by this Agreement, Buyer has not incurred, nor plans to incur, debts beyond its ability to pay as they become absolute and matured.

Section 3.5 Non-Reliance. BUYER HEREBY ACKNOWLEDGES THAT IN MAKING ITS DECISION TO ENTER INTO THIS AGREEMENT AND CONSUMMATE THE TRANSACTIONS CONTEMPLATED HEREBY, EXCEPT AS OTHERWISE PROVIDED HEREIN, BUYER HAS RELIED SOLELY UPON ITS OWN INVESTIGATION. BUYER FURTHER ACKNOWLEDGES THAT IT IS ACQUIRING THE ASSETS ON AN "AS IS, WHERE IS" BASIS AS THEY SHALL EXIST ON THE CLOSING DATE AND NO ADJUSTMENTS SHALL BE MADE FOR ANY CHANGES IN THE CONDITION OF THE ASSETS. BUYER FURTHER ACKNOWLEDGES THAT NEITHER SELLER NOR ANY OTHER PERSON IS MAKING ANY REPRESENTATIONS OR WARRANTIES, AND BUYER IS NOT RELYING ON ANY REPRESENTATIONS OR WARRANTIES OF SELLER OR ANY OTHER PERSON, OTHER THAN THE REPRESENTATIONS AND WARRANTIES SET FORTH IN ARTICLE II OF THIS AGREEMENT. WITHOUT LIMITING THE GENERALITY OF THE

FOREGOING, BUYER HEREBY ACKNOWLEDGES THAT, EXCEPT TO THE EXTENT EXPRESSLY SET FORTH IN ARTICLE II OF THIS AGREEMENT, NEITHER SELLER NOR ANY OTHER PERSON IS MAKING ANY REPRESENTATION OR WARRANTY WITH RESPECT TO (i) ANY FINANCIAL PROJECTION OR FORECAST RELATING TO SELLER OR THE ASSETS, (ii) MERCHANTABILITY, (iii) FITNESS FOR ANY PARTICULAR PURPOSE OR (iv) ANY OTHER INFORMATION MADE AVAILABLE, WHETHER PURSUANT TO ANY PRESENTATION MADE BY OR ON BEHALF OF SELLER, PURSUANT TO ANY ELECTRONIC OR PHYSICAL DELIVERY OF DOCUMENTATION OR OTHER INFORMATION, OR OTHERWISE, TO BUYER, ITS AFFILIATES AND THEIR RESPECTIVE REPRESENTATIVES, AND BUYER EXPRESSLY DISCLAIMS ANY SUCH REPRESENTATION OR WARRANTY THAT IS NOT SET FORTH IN ARTICLE II OF THIS AGREEMENT. BUYER HAS CONDUCTED ITS OWN INDEPENDENT INVESTIGATION, REVIEW AND ANALYSIS OF THE CONDITION OF THE ASSETS, AND ACKNOWLEDGES THAT IT HAS BEEN PROVIDED ADEQUATE ACCESS TO THE PERSONNEL, PROPERTIES, ASSETS, PREMISES, BOOKS AND RECORDS, AND OTHER DOCUMENTS AND DATA OF SELLER FOR SUCH PURPOSE.

ARTICLE IV COVENANTS

Section 4.1 Further Assurances and Actions. From time to time following the Closing, Buyer and Seller will each promptly execute, acknowledge and deliver all such further conveyances, notices, assumptions, assignments, releases, electronic forms and other instruments, and take such further actions, as may be reasonably necessary or appropriate to assure fully to the other Party all of the rights intended to be Transferred to such Party under this Agreement and other agreements contemplated hereby and to otherwise make effective the transactions contemplated hereby.

Section 4.2 Confidentiality. Without limiting Section 4.3, for a period of three (3) years following the Closing, Seller will, and will direct its Affiliates and direct its Representatives to, keep confidential all confidential and proprietary information exclusively relating to the Assets (collectively, the "Confidential Information"), except (a) to the extent legally permissible, in connection with any action to enforce this Agreement, (b) with respect to financial information of Seller for pre-Closing periods for use in connection with Seller's or its Affiliates' financial reporting activities, or (c) to the extent such information is requested or required by applicable Law or regulation or by deposition, interrogatories, requests for information or documents in legal or administrative proceedings, subpoena, civil investigative demand or other similar legal process, in which case Seller will, to the extent reasonably practicable and permitted under applicable Law, (i) provide Buyer with prompt written notice of the existence, terms and circumstances of any such request or requirement so that Buyer may, at its sole cost and expense, seek a protective order or other appropriate remedy or waive compliance with the provisions of this Section 4.2 and (ii) exercise (and direct its Representatives to exercise) reasonable efforts to preserve the confidentiality of the information, in each case, at Buyer's sole cost and expense; provided, that notwithstanding the foregoing, its Representatives may disclose any information to any Governmental Entity to the extent requested or required in connection with a routine audit or examination by any tax or regulatory authority having jurisdiction over Seller or its Representatives. Notwithstanding the foregoing, Confidential Information does not include such information which: (A) at the time of disclosure, is publicly available or thereafter becomes publicly available through no act or omission of Seller in breach of this Section 4.2; (B) is thereafter disclosed or furnished to Seller by a third party who is not known by Seller to have acquired the information under an obligation of confidentiality; (C) is independently developed by Seller without the use of, reliance on, or reference to, Confidential Information after the Closing Date; or (D) Buyer consents in writing to disclosure thereof by Seller.

Section 4.3 Publicity. Neither Seller nor Buyer will, and each will cause its respective Affiliates not to, publish any press release or make any public statement regarding the transactions contemplated by this Agreement without prior written consent of the other Party. This Section 4.3 will not limit public or other filings or statements made in connection with any Action between the Parties.

Section 4.4 Tax Matters.

(a) Cooperation and Exchange of Information. Buyer and its Affiliates, on the one hand, and Seller and its Affiliates, on the other hand (including, in each case, accounting firms and legal counsel), will cooperate and provide to each other such documentation, information and assistance, including the furnishing or making available during normal business hours of records, personnel (as reasonably required), books of account or other materials as may reasonably be requested in connection with (i) the preparation of any Tax Return relating to the Assets or the Assumed Liabilities; (ii) the conduct of any audit or other examination by any Tax Authority relating to any liability for Taxes relating to the Assets or the Assumed Liabilities; and (iii) the prosecution or defense of any Tax proceeding relating to the Assets or the Assumed Liabilities.

(b) Transfer Taxes. All transfer, documentary, sales, use, stamp, registration, value added, goods and services and other similar Taxes and fees incurred in connection with this Agreement ("Transfer Taxes") will be borne by Buyer. Each of Seller and Buyer, respectively, will prepare and timely file, or cause to be prepared and timely filed, at their respective expense all Tax Returns for Transfer Taxes required to be filed by such Party. Buyer and Seller agree, upon the request of the other, to use commercially reasonable efforts to obtain, provide, prepare, file and maintain any certificate or documents from any Tax Authority or any other Person as may be reasonably necessary to reduce, mitigate, eliminate or claim exemption from or non-applicability of any Transfer Taxes that would otherwise be incurred in connection with this Agreement. For the avoidance of doubt, the Parties agree that the Transfer will be deemed to have occurred upon the delivery of the Assets in the State of Nevada and that transactions contemplated hereby are not subject to transfer, documentary, sales, use, stamp, registration, value added, goods and services and other similar Taxes and fees of any other state.

(c) Proration of Taxes. Except as provided in Section 4.4(b) regarding Transfer Taxes, (i) Seller shall be liable for and pay all Taxes of Seller that are attributable to any Pre-Closing Tax Periods, including the portion of any Straddle Period that ends prior to the Closing Date, and (ii) Buyer shall be liable for and pay all Taxes of Seller that are attributable to any Tax period that begins on the Closing Date, and the portion of any Straddle Period beginning on (and including) the day after the Closing Date. In the case of any Tax period that begins on or before and ends after the Closing Date (a "Straddle Period"), the amount of any income Taxes or other Taxes based upon the income or receipts of, sales by, or consideration, withholding, interest or other compensation paid by, Seller attributable to the Pre-Closing Tax Period shall be determined on the basis of an interim closing of the books as of the close of business on the Closing Date, and the amount of ad valorem and other Taxes of Seller attributable to the Pre-Closing Tax Period shall equal the amount of such Tax for the Straddle Period multiplied by a fraction, the numerator of which is the number of days in the Straddle Period through and including the Closing Date, and the denominator of which is the total number of days in the Straddle Period, but the calculation of which shall exclude extraordinary items attributable to activities of events after the Closing Date.

(d) Tax Returns. Buyer will timely prepare or cause to be prepared and filed (or cause to be filed) all Tax Returns required to be filed with respect to the Assets. In the case of any such Tax Return that could reasonably be expected to give rise to an indemnification obligation on the part of Seller under this Agreement, Buyer shall submit such Tax Return to Seller for review and comment (any such comments not to be unreasonably rejected, provided that such comments are delivered to Buyer in writing within 20 days after the Seller's receipt of such Tax Return for its review) no later than thirty 30 days prior

to the due date (including available extensions of time to file) for such Tax Return (or, if required to be filed within 30 days after the Closing Date, as soon as reasonably practicable following the Closing Date). Seller is responsible for any amount of Taxes as relates to a Pre-Closing Tax Period as determined in accordance with Section 4.4(c), and following written documented request therefore, will pay Buyer such amount at least five Business Days before the applicable Tax Return is due.

Section 4.5 Transferred Employees. Commencing on the Closing Date, Seller shall terminate all employees of the Business who are employed as of the Closing Date, and Buyer may offer employment, on an "at will" basis, to any or all of such employees (the "Transferred Employees"), identified on Schedule 4.5 of the Disclosure Schedules. Seller shall be solely responsible, and Buyer shall have no obligations whatsoever for (a) any hourly pay, commission or salary payable to any Transferred Employee for any period relating to the service with Seller at any time on or prior to the Closing Date, (b) any accrued vacation, fringe, pension or profit sharing benefits or severance pay payable to any Transferred Employee for any period relating to the service with Seller at any time on or prior to the Closing Date, (c) the satisfaction of all claims for medical, dental, life insurance, health accident, or disability benefits brought by such Transferred Employees (or the spouses, dependents or beneficiaries thereof), which claims relate to events occurring on or prior to the Closing Date and (d) all worker's compensation claims of any Transferred Employee that relate to events occurring on or prior to the Closing Date. Seller shall pay all such amounts to the applicable Transferred Employee as soon as reasonably practicable after the Closing Date.

ARTICLE V REMEDIES

Section 5.1 Survival of Representations, Warranties, Covenants and Agreements. All representations and warranties contained in this Agreement shall terminate and be of no further force and effect on the Closing Date; provided, however, that the representation and warranty contained in the final sentence of Section 2.2(b) will survive the Closing until 12 months after the Closing Date. The covenants and agreements made in this Agreement that are to be performed in whole or in part prior to the Closing shall expire at the Closing and the covenants and agreements made in this Agreement that are to be performed in whole or in part subsequent to the Closing and that do not, by their terms, expire on a date certain, shall survive in full force and effect until fully performed (it being understood that any claims for breaches of such covenants may be made at any time prior to the expiration of the applicable statute of limitations). The period of time that a representation, warranty or covenant survives the Closing pursuant to this Section 5.1 will be the "Survival Period" herein. The Parties intend for this Section 5.1 to alter the otherwise applicable statute of limitations and agree that, subject to the last sentence of this Section 5.1, no claim may be brought pursuant to a claim for indemnification based upon any of the representations, warranties or covenants contained in this Agreement after the Survival Period with respect to such representation, warranty or covenant. The termination of the Survival Period of the representations, warranties or covenants provided herein will not affect a Party in respect of any claim grounded in Fraud.

Section 5.2 Indemnification. Subject to this Article V, from and after the Closing, Seller will indemnify Buyer and its Affiliates, successors, assigns, officers, managers, directors, shareholders, partners, members, employees, Representatives and agents (collectively, the "Buyer Indemnified Parties") in respect of, and hold each Buyer Indemnified Party harmless from and against, any and all Losses suffered, incurred or sustained by a Buyer Indemnified Party or to which a Buyer Indemnified Party becomes subject, resulting from, arising out of or relating to any breach of the representation and warranty contained in the final sentence of Section 2.2(b). The maximum amount of Losses that may be recovered by the Buyer

Indemnified Parties pursuant to this Section 5.2, as applicable, will not exceed an aggregate amount equal to \$150,000.

Section 5.3 Damage Calculations. In calculating the amount of any Losses payable to a Buyer Indemnified Party pursuant to Section 5.2, the amount of the Losses will (a) not be duplicative of any other Loss for which an indemnification claim has been paid, (b) be computed net of any amounts actually recovered by such Buyer Indemnified Party under any insurance policy (net of any reasonable costs and expenses incurred in obtaining such recovery) and (c) be computed net of any Tax benefit directly or indirectly received in cash or any actual reduction of net cash Tax due in the year of loss or the immediately succeeding year, in each case by any Buyer Indemnified Party in connection with such Loss or the circumstances giving rise thereto. If a Buyer Indemnified Party actually recovers an amount under an insurance policy in respect of Losses that are the subject of indemnification under Section 5.2 after all or a portion of such Losses have been paid by or at the direction of Seller pursuant to Section 5.2, such Buyer Indemnified Party will promptly remit to Seller the excess (if any) of (i) the amount paid by or at the direction of Seller in respect of such Losses, plus the amount received from the insurance policy in respect thereof less (ii) the full amount of such Losses, plus the amount of any reasonable out-of-pocket costs, fees or expenses incurred to procure such proceeds and the amount of any increased insurance premiums, retentions or other out-of-pocket costs related to or arising therefrom. Nothing herein waives any Buyer Indemnified Party's common law duty to mitigate any such claim or liability upon and after becoming aware of any event or condition which could reasonably be expected to give rise to any Losses that are indemnifiable under Section 5.2.

Section 5.4 Claims Procedure.

(a) If a Buyer Indemnified Party determines in good faith that such Person has a bona fide claim for indemnification pursuant to Section 5.2, such Buyer Indemnified Party may deliver to Seller a certificate signed by such Person (a "Claim Certificate") specifying (i) that such Buyer Indemnified Party has a claim for indemnification pursuant to Section 5.2, (ii) to the extent possible, a good faith non-binding, preliminary estimate of the amount to which such Buyer Indemnified Party claims to be entitled to receive, which shall be the amount of Losses such Buyer Indemnified Party claims to have so incurred or suffered or could reasonably be expected to incur or suffer; (iii) in reasonable detail the material facts known to such Buyer Indemnified Party giving rise to such claim; and (iv) the specific representation, warranty or covenant alleged to have been breached by Seller.

(b) If Seller in good faith objects to any claim made in any Claim Certificate, then Seller shall deliver a written notice (a "Claim Dispute Notice") to the applicable Buyer Indemnified Party during the 30-day period commencing upon receipt by Seller of the Claim Certificate. The Claim Dispute Notice shall set forth in reasonable detail the principal basis for the dispute of any claim made in the relevant Claim Certificate. Following delivery of a Claim Dispute Notice, the Buyer Indemnified Party and Seller shall then attempt in good faith to resolve any such objections raised in such Claim Dispute Notice. If no such resolution can be reached during the 45-day period following receipt of a given Claim Dispute Notice, then upon the expiration of such 45-day period, either the Buyer Indemnified Party or Seller may bring suit to resolve the objection.

Section 5.5 Exclusivity. After the Closing, except in the case of Fraud by Seller or Buyer, and to the extent permitted by Law, the remedies set forth in Section 5.2 will be the sole and exclusive remedies of either Party arising out of any misrepresentation, breach of warranty or nonfulfillment or failure to be performed of any covenant or agreement contained in this Agreement; provided, however, that this exclusive remedy will not preclude a Party from bringing an action for specific performance or other equitable remedy following the Closing to the extent not otherwise prohibited hereunder to require a Party to perform its obligations under this Agreement (including each Party's obligations under Section 4.2).

Section 5.6 Limitations on Liability. Except for instances of Fraud, in no other event shall any party be entitled to recover or make a claim for any Losses in respect of consequential, incidental or indirect damages, lost profits or punitive damages and, in particular, no “multiple of profits” or “multiple of cash flow” or similar valuation methodology shall be used in calculating the amount of any Losses, damages or claims.

Section 5.7 Tax Treatment of Indemnity Payments. All indemnity payments made pursuant to Section 5.2 will be treated as an adjustment to the Purchase Price for all federal, state, local and non-U.S. Income Tax purposes except as otherwise required by applicable Law.

Section 6.2 Governing Law; Consent to Jurisdiction; Waiver of Trial by Jury.

(a) This Agreement and the transactions contemplated hereby, and all disputes between the Parties under or related to the Agreement or the facts and circumstances leading to its execution, whether in Contract, tort or otherwise, will be governed by and construed in accordance with the Laws of the State of Nevada, applicable to Contracts executed in and to be performed entirely within the State of Nevada, without regard to the conflicts of laws principles thereof to the extent that the Laws of another jurisdiction would apply as a result of the application thereof.

(b) Each of the Parties irrevocably and unconditionally submits, for itself, to the exclusive jurisdiction of the Clark County District Court of the State of Nevada (“District Court”), or Federal court of the United States of America, sitting in Las Vegas, Nevada, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the agreements delivered in connection herewith or the transactions contemplated hereby or thereby or for recognition or enforcement of any judgment relating thereto, and each of the Parties hereby irrevocably and unconditionally (i) agrees not to commence any such action or proceeding except in such courts, (ii) agrees that any claim in respect of any such action or proceeding may be heard and determined in the District Court or, to the extent permitted by Law, in such Federal court, (iii) waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any such action or proceeding in the District Court or such Federal court, (iv) waives, to the fullest extent permitted by Law, the defense of an inconvenient forum to the maintenance of such action or proceeding in the District Court or such Federal court, and (v) to the extent such Party is not otherwise subject to service of process in the State of Nevada, appoints Corporation Service Company as such Party’s agent in the State of Nevada for acceptance of legal process and agrees that service made on any such agent will have the same legal force and effect as if served upon such Party personally within such state. Each of the Parties hereby agrees that a final judgment in any such action or proceeding will be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. Each Party irrevocably consents to service of process in the manner provided for notices in Section 6.4. Nothing in this Agreement will affect the right of any Party to serve process in any other manner permitted by Law. Notwithstanding the foregoing, each of the Parties hereby (A) agrees that service of process, summons, notice or document by registered mail addressed to it at its address provided in Section 6.4 will be effective service of process against it for any such action brought in any such court, (B) waives and hereby

irrevocably waives, to the fullest extent permitted by Law, any objection which it may now or hereafter have to the laying of venue of, and the defense of an inconvenient forum to the maintenance of, any such action in any such court, and (C) agrees that a final judgment in any such action will be conclusive and maybe enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law.

(c) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE IT HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT AND ANY OF THE AGREEMENTS DELIVERED IN CONNECTION HEREWITH OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE EITHER OF SUCH WAIVERS, (ii) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF SUCH WAIVERS, (iii) IT MAKES SUCH WAIVERS VOLUNTARILY, AND (iv) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS Section 6.2(c).

Section 6.3 Specific Performance. Except as set forth in Section 6.2(c), the Parties agree that irreparable damage, for which monetary damages or other legal remedies may not be an adequate remedy, would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached by the Parties. It is accordingly agreed that the Parties will be entitled to seek an injunction or injunctions, or any other appropriate form of specific performance or equitable relief, to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in the District Court of Nevada or federal court in Nevada, without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled at law or in equity. No Party shall be required to provide any bond or other security in connection with any such decree, order or injunction or in connection with any related Action.

Section 6.5 Interpretation.

(a) When a reference is made in this Agreement to Sections, Exhibits or Schedules, such reference will be to a Section or Exhibit or Schedule of this Agreement unless otherwise indicated. All Exhibits and Schedules of this Agreement are incorporated herein by reference. The table of contents and headings contained in this Agreement are for reference purposes only and will not affect in any way the meaning or interpretation of this Agreement. Whenever the words "include," "includes" or "including" are used in this Agreement, they will be deemed to be followed by the words "without limitation." The phrase "made available" in this Agreement means that the information referred to has been made available if requested by the Party to whom such information is to be made available. For purposes of this Agreement, (i) the word "or" is not exclusive and (ii) the words "herein," "hereby," "hereof," "hereto" and "herewith" refer to this Agreement as a whole. The words "provided", "delivered", "made available" or other terms of like meaning means that the referenced document or other material was transmitted to Buyer or any of their Representatives by any electronic means at least two Business Days prior to, and remained so posted and accessible through, the date of this Agreement.

(b) The Disclosure Schedules will be construed with and as an integral part of this Agreement to the same extent as if they were set forth verbatim herein. No item in the Disclosure Schedules is intended to imply that such amount, or higher or lower amounts, or the item so included or other items, are or are not material, and no Party will use the fact of the setting forth of any such amount or the inclusion of any such item in any dispute or controversy between the Parties as to whether any obligation, item or matter not described herein or included in the Disclosure Schedules is or is not material for purposes of this Agreement. Unless this Agreement specifically provides otherwise, neither the specification of any item or matter in any representation or warranty contained in this Agreement nor the inclusion of any specific item in the Disclosure Schedules is intended to imply that such item or matter, or other items or matters, are or are not in the Ordinary Course of Business, and no Party will use the fact of the setting forth or the inclusion of any such item or matter in any dispute or controversy between the Parties as to whether any

obligation, item or matter not described herein or included in the Disclosure Schedules is or is not in the Ordinary Course of Business for purposes of this Agreement. Each section of the Disclosure Schedules qualifies the correspondingly numbered representation and warranty or covenant and any other representation or warranty, if the disclosure is reasonably apparent to such other representation or warranty. It is specifically acknowledged that the Disclosure Schedules may expressly provide exceptions to a particular Section of Article II notwithstanding that the Section does not state "except as set forth on Schedule '___'."

Section 6.6 Headings. The headings contained in this Agreement are for reference purposes only and will not affect in any way the meaning or interpretation of this Agreement.

Section 6.7 Entire Agreement. This Agreement and all documents and instruments referred to herein constitute the entire agreement and supersede all prior agreements and understandings, both written and oral, among the Parties with respect to the subject matter hereof. Each Party hereby agrees that, except for the representations and warranties contained in this Agreement, the certificates and other agreements delivered in accordance with this Agreement and the Disclosure Schedules, neither Seller, on the one hand, nor Buyer, on the other, makes any other representations or warranties, and each hereby disclaims any other representations and warranties made by itself or any of its respective Representatives or other Representatives, with respect to the execution and delivery of this Agreement or the transactions contemplated hereby, notwithstanding the delivery or disclosure to any of them or their respective Representatives of any documentation or other information with respect to any one or more of the foregoing.

Section 6.8 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of Law or public policy, all other conditions and provisions of this Agreement will nevertheless remain in full force and effect, and the application of such provision to other Persons or circumstances will not be affected by such invalidity or unenforceability, nor will such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties will negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner to the end that transactions contemplated hereby are fulfilled to the extent possible.

Section 6.9 Assignment. The rights and obligations of each Party under this Agreement may not be assigned without the prior written consent of the other Party, which consent shall not be unreasonably withheld, conditioned or delayed.

Section 6.10 Parties of Interest; Third-Party Beneficiaries. This Agreement will be binding upon and inure solely to the benefit of each Party and its permitted successors and assigns and nothing in this Agreement, express or implied, is intended to or will confer upon any other Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

Section 6.11 Counterparts. This Agreement may be executed in any number of counterparts and by the different Parties in separate counterparts, each of which when executed will be deemed to be an original but all of which taken together will constitute one and the same agreement. Delivery of an executed counterpart of a signature page of this Agreement by facsimile, DocuSign or PDF file (portable document format file) will be effective as delivery of a manually executed counterpart of this Agreement.

Section 6.12 Mutual Drafting. Each Party has participated in the drafting of this Agreement, which each Party acknowledges is the result of extensive negotiations between the Parties. In the event any ambiguity or question of intent arises, this Agreement will be construed as if drafted jointly by the Parties

and no presumption or burden of proof will arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

Section 6.13 Amendment. This Agreement may not be amended other than by an instrument in writing signed by both Buyer and Seller.

Section 6.14 Extension; Waiver. Any agreement on the part of a Party to any such extension or waiver will be valid only if set forth in a written instrument signed on behalf of such Party. No failure or delay on the part of any Party in the exercise of any right or remedy hereunder will impair such right or remedy or be construed as a waiver of, or acquiescence in, any breach hereof, nor will any single or partial exercise of any right or remedy preclude any other or further exercise thereof or any other right.

IN WITNESS WHEREOF, the undersigned have caused this Agreement to be signed as of the date first written above.
