PT-5469-US-PSP2	63/111,853	METHODS FOR ARTHROSCOPIC VIDEO ANALYSIS AND DEVICES THEREFOR	Brian William Quist; Vishal Jayakumar; Carlos A. Rodriguez

Attorney Docket No. (Application No.)	Filing Date	Title	Inventors

in all forms and embodiments thereof, and in and to the aforesaid application(s); and in and to any application filed in any foreign country based thereon, including the right to file said foreign applications; also the entire right, title and interest in and to any and all patents or reissues or extensions thereof to be obtained in this or any foreign country upon said invention or inventions and any non-provisional, utility, design, divisional, continuation, continuation-in-part or substitute applications which may be filed upon said invention or inventions in this or any foreign country, including the right to claim the priority date of the aforesaid application(s); and the undersigned hereby authorizes and requests the issuing authority to issue any and all patents on said application or applications to Assignee.

Assignor hereby authorizes and requests the Assignee or its agent to insert in this Assignment the serial number, filing date, and date of execution of any assigned application(s).

Assignor further agrees to execute and deliver all non-provisional, utility, design, divisional, continuing, substitute, improvement, extension, reissue and other patent applications in this or any foreign country relating to said assigned application(s) and/or the inventions and/or improvements described in the assigned application(s), and to perform all other lawful acts without further consideration, subject to reimbursement of out-of-pocket expenses approved by Assignee in advance in writing, which the Assignee may deem necessary or desirable to make this Assignment fully effective.

The parties agree that Assignor's full right, title and interest in and to the applications and patents assigned pursuant to this Agreement includes the rights to police, monitor and enforce the assigned applications and patents against any and all past infringements (including, without limitation, the right to sue for and collect damages caused by any such infringement) which may have occurred at any time in the unlimited past, up to the date of this present Assignment. Assignor agrees to cooperate with Assignee in obtaining and/or providing information required in any proceedings relating to the letters patent.

I, the undersigned, having read and understood the above, provide my signature as of the date below to confirm.
