ASSIGNMENT FOR UTILITY OR DESIGN PATENT APPLICATION

WHEREAS We, the below named inventors, (hereinafter referred to as Assignors), have made an invention claimed and/or described in a provisional application for United States Letters Patent entitled:

DEVICE UPDATE TRANSMISSION USING A BLOOM FILTER

filed on June 11, 2019, 2019, as United States Patent Application No. 16/437,344, and having Attorney Docket No. 0252.0011;

WHEREAS, INTEGRITY Security Services, Inc.
a company of Green Hills Software, Inc.

whose post office address is 7585 Irvine Center Dr., Suite 250, Irvine, CA 92618

(hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to all applications for Letters Patent on this invention and the Letters Patent to be issued upon such applications;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, We, as Assignors, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, our entire right, title, and interest in and to this invention and this provisional application, and all subsequent non-provisional applications, divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, as well as all rights to claim priority on the basis of this provisional application in any foreign country, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof;

AND, WE HEREBY authorize and request the Director of the United States Patent and Trademark Office and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, WE HEREBY covenant that we have the full right to convey the interest assigned by this Assignment, and we have not executed and will not execute any agreement in conflict with this Assignment;

AND, WE HEREBY further covenant and agree for ourselves, our successors and our assigns, that we will, without further payment or consideration, communicate to Assignee, its successors and assigns, any facts known to us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to this paragraph, such as postage and notary fees, shall be borne by the Assignee, its successors and assigns;

AND, WE HEREBY authorize and request the Assignee's agents, MH2 Technology Law Group LLP, whose address is 1951 Kidwell Drive, Suite 310, Tysons Corner, VA 22182, to insert hereon any identification necessary or desirable for recordation of this document, including the filing date and application number of said application when known;

IN TESTIMONY AND AGREEMENT WHEREOF, WE have hereunto set our hands.
