## ASSIGNMENT OF INVENTION

WHEREAS I, Rener Gracie, herein referred to as "Assignee," is the inventor of subject matter disclosed in U.S. Design Patent entitled "GARMENT FOR CONVERTING INTO A BACKPACK," herein referred to as the "Invention," which is subject to U.S. Non-Provisional Design Patent Application No. 29/666,366, and Patent No. D 903,984 filed on October 12, 2018; and,

WHEREAS Hero Hoodie, LLC, a California Limited Liability Corporation, whose mailing address is 2440 West Carson St., CA 90501, herein referred to as "Assignee," is desirous of acquiring the entire right, title and interest in the same.

Now, therefore, in consideration of good and valuable consideration, the receipt and sufficiency whereof is acknowledged, we do hereby sell, assign, and transfer unto said Assignee the full and exclusive right to the said Inventions and the entire rights, title and interest in and to any and all pending patents and patents which may be filed therefor, either domestic or internationally, for its sole use and behoof, and for the use and behoof of its legal representatives, to the full end of the term for which said patent(s) may be granted, as fully and entirely as the same would have been held by us had this assignment and sale not been made. Assignors represents and warrant that we have not granted and will not grant to others any rights inconsistent with any of the terms, conditions, or provisions of this Assignment.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for The Invention, whether on The Application or on any subsequently filed non-provisional, division, continuation, continuation in part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in the invention.

Executed this 18th day of May 2022, at 2440 W. Carson St., Torrance, CA 90501.

---

Rener Gracie
