ASSIGNMENT

Whereas We, **Chadwick A. Shaffer** and **Chris A. Wadzinski**, with residences as indicated below have, along with Jeff Weber and Shawn S. Monitor, made invention(s) in

A WALK OUTDOOR POWER EQUIPMENT UNIT HAVING HANDLE MOUNTED OPERATIONAL CONTROLS USING COMPLIANT MECHANISMS

Filed: September 29, 2021

U.S. Patent Application No.: 17/488,643

for which the above-identified application for Letters Patent of the United States of America was filed based thereon.

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we have individually and jointly agreed to assign and transfer and do hereby assign and transfer unto **THE TORO COMPANY** ("Assignee"), a corporation of **Delaware**, having its principal office at **8111 Lyndale Avenue South, Bloomington, Minnesota, 55420-1196, United States of America**, its successors and assigns, our entire right, title, and interest in and to said invention(s) and application, and in and to any division or continuation (in whole or in part) of said application, and in and to any and all improvements in said invention(s) made by us or any of us or made jointly with others (provided any such improvement is made during, or within one year after the termination of, the employment by the Assignee of whichever of us, solely or jointly with one or more others, has made the same), and in and to any and all Letters Patent, reexaminations, reissues, or extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent, Utility Models, or Inventors' Certificates in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any divisional, continuation (in whole or in part), renewal, reexamination, reissue, or other or further application based in whole or in part upon said invention(s) or improvements thereon, to be held and enjoyed as fully and exclusively as they would have been by us or any of us had this assignment and transfer not been made;

We do further agree for ourselves and for our heirs, executors, and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such other acts as we lawfully may, that may be deemed necessary by the Assignee, its successors, assigns, and nominees, fully to secure its right, title, and interest as aforesaid and to obtain or maintain Letters Patent, Utility Models, or Inventors' Certificates in any and all countries;

And we do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent that may be granted upon any of said applications, to **THE TORO COMPANY** as the assignee of the entire right, title, and interest therein.

Further, we covenant and agree with the Assignee, and its successors and assigns, that we have not assigned, granted, mortgaged, licensed, or executed any other agreement affecting the rights and property herein conveyed to others and that we possess the full right to convey these rights and property as herein expressed.
