ASSIGNMENT

This Assignment is made from the **ECI TECHNOLOGY, INC.** (Assignor), having a place of business at 60 Gordon Drive, Totowa, New Jersey, 07512 to **KLA CORPORATION** (Assignee), having a place of business at Three Technology Drive, Milpitas, California 95035.

WHEREAS, Assignor is an owner of the inventions in **Table A**;

WHEREAS, Assignor desires to have a recordable instrument assigning its entire right, title and interest in and to said inventions, said applications and any Letters Patent that may be granted for said inventions in the United States and throughout the world to Assignee;

NOW THEREFORE, in accordance with the obligations to assign the inventions and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor sells, assigns, and transfers to Assignee, its entire right, title, and interest in and to said inventions, said application and any Letters Patent that may be granted for said inventions in the United states and throughout the world, including the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties, or otherwise.

Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, its legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing Letters Patent in the United states and throughout the world for said invention, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said invention, said application, and any Letters Patent granted for said invention in the United States and throughout the world.

Assignor represents and warrants that it has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said inventions, whether on said applications or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of its entire interest in said inventions.

IN WITNESS WHEREOF, Assignor has executed this Assignment on the date(s) provided below.
