PATENT ASSIGNMENT

This PATENT ASSIGNMENT (this "Assignment") is made and entered into this 24th day of MAY, 2023 by and between CANTOR ENTERTAINMENT DATA, LP, organized under the laws of the State of Delaware having an office and place of business at 110 East 59th Street, New York, New York 10022, United States ("Assignor"), and CFPH, LLC organized under the laws of the State of Delaware having an office and place of business at 110 East 59th Street, New York, New York 10022, United States ("Assignee") (each a "Party," and collectively, the "Parties").

WHEREAS, Assignor is the owner of the patents and/or applications set forth in the attached Table I (along with any nonprovisional, continuation, divisional, renewal, extension, substitute, reexamination, reissue or continuation-in-part thereof, any application from which priority is claimed for any country or any regional or international patent convention, all treaty and convention rights and all rights of priority arising therefrom, all patents, utility models, invention registrations or any other form of legal protection issuing from any of the aforesaid, and all inventions or discoveries disclosed or claimed in any of the aforesaid, being the "Patents");

WHEREAS Assignor desires to assign to Assignee its entire right, title, and interest in and to the Patents, and any claims relating thereto, and Assignee desires to accept such assignment;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Assignment. Assignor hereby assigns all of Assignor's right, title, interest, and benefit in and to the Patents to Assignee, including, without limitation, the right to sue for past infringement of the Patents, and the right to collect and receive any damages, royalties, or settlement for such past infringements and any and all causes of action relating to any of the inventions or discoveries disclosed in the Patents.

2. No Warranties. Assignor makes no warranties, express or implied, with respect to the Patents.

3. Further Assurances. Assignor shall, at the cost and expense of Assignee, take all actions and execute all documents necessary or desirable to record and perfect the interest of Assignee and/or its successors or assigns in and to the Patents, and shall not enter into any agreement in conflict with this Assignment. Assignor shall provide all reasonable assistance to enable the Assignee to pursue any claim, action or proceedings relating to the Patents.

4. Acknowledgement. Assignor hereby authorizes and requests that the competent authorities record this Assignment, and grant and issue any and all patents included in the Patents to the Assignee as the assignee of all right, title and interest therein.

5. Representations and Warranties. Assignor represents and warrants that (a) Assignor has full power and authority to enter into this Assignment, and (b) this Assignment has been duly authorized, executed and delivered by Assignor and constitutes the legal, valid and binding obligation of Assignor, enforceable against it in accordance with the terms hereof.

6. Successors. This Assignment shall be binding upon and inure to the benefit of the Parties hereto and to their respective successors and assigns.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, Assignor has caused this Assignment to be executed as of the date written below.
