REEL: 063771 FRAME: 0707

ASSIGNMENT OF PATENTS

Phoenix Technology Group LLC (“Assignor”), a Delaware limited liability company whose address is 6630 Owens Drive, Pleasanton, CA 94588, owns the entire right, title and interest in the pending and/or issued patents listed in Appendix A (collectively the “Inventions”):

Neolight, LLC (“Assignee”), an Arizona limited liability company whose address is 1475 N. Scottsdale Rd. Suite 110, Scottsdale, AZ 85257, desires to acquire the entire right, title and interest in the Inventions, and to any United States and foreign patents to be obtained from the Inventions.

Accordingly, for good and valuable consideration, the receipt and sufficiency of which we acknowledge, Assignor hereby: 1) sells, assigns, and transfers to Assignee, its successors and assigns, the entire right, title and interest in the Inventions, including any divisions, continuations, and continuations-in-part of the above-identified application, and in and to any and all Letters Patent of the United States and foreign countries which may be granted or have granted for the Inventions, and in and to any and all reissues reexaminations, extensions, or counterparts of the above-identified application, and in and to any and all priority rights, Convention rights, and other benefits accruing or to accrue to us with respect to the filing of applications for patents or securing of patents in the United States and foreign countries; 2) authorizes and requests the Commissioner of Patents to issue any and all such Letters Patent granted upon the Inventions to Assignee, its successors and assigns; and 3) agrees that Assignee may apply for foreign Letters Patent on the Inventions.

Assignor warrants and covenants that it has the full and unencumbered right to sell, assign, and transfer the interests hereby sold, assigned, and transferred and that it has not executed and will not execute any document or instrument in conflict with this Assignment. Assignor further covenants and agrees that, upon the request and at the expense of Assignee, it will execute and deliver any papers, make all rightful oaths, testify in any legal proceeding relating to the Inventions, communicate to Assignee all facts known to us relating to the Inventions and its history; and perform all other lawful acts deemed necessary or desirable by Assignee and its legal representatives, to secure, maintain, and enforce patent protection for the Inventions and for vesting title to the Inventions in Assignee, and in particular to perfect title to the above-identified application including divisions, continuations, and continuations-in-part of the above-identified application, and any and all Letters Patents of the United States and foreign countries which may be granted or have been granted on the above-identified application, including reissues, reexaminations, extensions, or counterparts.

Assignor hereby grants to **Neolight, LLC**, or its designated representative, authority and power to insert on this Assignment any further identification which may be necessary or desirable for purposes of recordation of this Assignment.
