Specific Instructions

I Name and Organization Details

State the company's name exactly as it appears in its articles of organization. If the company adopted a designated name for use in Virginia because its real name was not available, state the company's designated name.

II Amendments

If the LLC has changed its name, it must adopt a designated name required for use in Virginia if:

- The limited liability company's name does not contain the abbreviation L.C., LC, L.L.C., or LLC, or the words Limited Company or Limited Liability Company

• The name of the company is unavailable in Virginia
To check the availability of a LLC name or a designated name, visit <https://cis.scc.virginia.gov>, or contact the Clerk's Office.

The company can abandon a designated name that it previously adopted for use in Virginia because its real name is now distinguishable on the Commission's records.

Additional Instructions for Amendments

Regarding Foreign Series LLCs

If the LLC is currently not registered as a foreign series LLC, the application can be amended to indicate it is a foreign series LLC. An attachment providing the name and jurisdiction of each foreign protected series established by the foreign series LLC must be included. If a foreign series LLC is changing its name, all registered foreign protected series must also file an amended application.

A foreign series LLC can amend the list of foreign protected series in an attachment.

If the foreign series LLC is no longer a foreign series LLC, mark the appropriate box. Note: All registered foreign protected series of the foreign series LLC must be inactive on the Commission's records to make this change.

Signature

One of the following officials with the right and power to manage the company's business and affairs must sign the application:

- a manager
- a person delegated the right and power to manage the LLC's business and affairs
- a member, if there is no manager or other such person selected
- a person authorized to sign post-formation documents on behalf of the LLC

Include the date, printed name, and position title next to the signature. If a manager or member of the LLC is signing on behalf of a business entity, then include the following: the business entity's name, the capacity in which the business entity is signing on behalf of the LLC, the individual's printed name, and the individual's business entity-related title. Providing an entity phone number or email address allows for quicker communication if there is an issue with the filing.

Note

To change the registered agent and/or registered office address or change the principal office address visit <https://cis.scc.virginia.gov>.
