ASSIGNMENT

WHEREAS, we, **Stephen Dewei Ahnert**, residing in San Bruno, California; **Erik Teig de Brun**, residing in San Francisco, California; and **Scott David Poff**, residing in Philadelphia, Pennsylvania, with a mailing address of 1901 S. 9th St., Room 302, Philadelphia, PA 19148 (hereinafter "Assignors," "we" or "us"), made certain new and useful inventions and improvements for which we filed applications for Letters Patent as indicated in Appendix A (hereinafter "Applications").

AND WHEREAS, **Redshift Sports, LLC**, a corporation organized and existing under and by virtue of the laws of the state of Pennsylvania, and having an office and place of business at 1901 S. 9th St., Room 302, Philadelphia, PA 19148 (hereinafter "Assignee"), is desirous of acquiring the entire right, title, and interest in and to said inventions, improvements, and Applications and in and to the Letters Patent(s) to be obtained therefor;

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable considerations, the receipt and sufficiency whereof is hereby acknowledged, we have sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto said Assignee, its successors, or assigns, the entire right, title, and interest for all countries in and to the aforesaid Application, and all inventions and improvements disclosed therein, and in and to the Application, all non-provisionals, divisions, continuations, or renewals thereof, all Letters Patent(s) that may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications that have been or shall be filed in any foreign countries for Letters Patent(s) on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent(s) of foreign countries that may be granted therefrom; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent(s) for the aforesaid inventions and improvements to the Assignee as the assignee of the entire right, title, and interest in and to the same, for the use of the Assignee, its successors, and assigns. Additionally, we hereby assign all other rights, title, and interest in ideas, plans, software code, materials, written matter, images, models, prototypes, data, or other creative materials prepared for Assignee that may result in intellectual property rights such as, but not limited to, trademarks, copyrights, trade secrets, or otherwise. The foregoing assignment includes, without limitation, the right to sue for past, present, and future infringement of the aforesaid Application, all Letters Patent(s) that may be

granted therefrom, and all other intellectual property rights, and the right to collect and receive any damages, royalties, or settlement for such past, present, and future infringements and any and all causes of action relating to any of the inventions or discoveries described in the aforesaid Application, all Letters Patent(s) that may be granted therefrom, and all other intellectual property rights.

AND, for the consideration aforesaid, we do hereby agree that we and our executors and legal representatives will make, execute, and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments, and other documents, and will communicate to said Assignee, its successors, and representatives all facts known to each of us, respectively, relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things that may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors, or assigns the entire right, title, and interest in and to the improvements, inventions, applications, Letters Patent(s), rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore, we covenant and agree with said Assignee, its successors, and assigns, that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by us and that full right to convey the same as herein expressed is possessed by us.
