SOMERSET, NEW JERSEY 08873

hereafter referred to as the "Assignor," and

InspiRx, Inc.
321 E. Chapel Hill Street
Durham NC 27701

hereafter referred to as the "Assignee."

The Assignor is the owner of all right, title and interest in:

US Patent No. US10729859 B1 issued Aug. 4, 2020

by an assignment recorded at the United States Patent and Trademark Office at Reel/Frame
052568/0695 recorded May 5, 2020;

and all provisional patent applications, continuation patent applications, continuation-in-part patent applications, divisional patent applications, reissue patent applications, reexamination applications, continued prosecution applications, requests for continued examinations and extensions (including adjusted term patents) of, relating to or having similar or common specifications to the patents and patent applications listed above; and any other filed patent applications relating to or claiming priority to any of the foregoing; and all foreign patents, foreign patent applications and counterparts relating to any of the items set out in this paragraph (collectively, the "Patent(s)")

The Assignee has agreed to acquire the entire interest, right, title, property and benefit in and to the Patent(s).

Therefore, for good and valuable consideration furnished by Assignee to Assignor, the receipt and sufficiency of which is expressly acknowledged, the Assignor hereby sells, assigns, transfers, and conveys to the Assignee (1) all of the Assignor's entire interest, all right, title and interest in the Patent(s); (2) the sole right to collect any damages for past, current and future infringement of the Patent(s) to the extent not covered by license agreements or forbearances in existence as of the date of this Agreement and disclosed by Assignor to Assignee prior to the execution of this Agreement; and (3) the right to sue for past, current and future infringement of the Patent(s).

This instrument will become binding when any one or more counterparts hereof, individually or taken together, bears the signatures of each Assignor party. This instrument may be conveyed by electronic means, including by facsimile or in scanned pdf format transmitted by email or other electronic means, which are deemed equivalent to an original executed copy.
