PATENT ASSIGNMENT

WHEREAS, HEYCO, INC., a New Jersey corporation, organized and existing under the laws of the State of New Jersey and having a place of business at 1800 Industrial Way, Toms River, New Jersey 08755 (hereinafter "Assignor"), is the owner of U.S. Patent No. 7,284,302 entitled Band Clamp (hereinafter, the "Patent Rights"); and

WHEREAS, HEYCO PRODUCTS, INC., a New Jersey corporation, organized and existing under the laws of the State of New Jersey and having a place of business at 1800 Industrial Way, Toms River, New Jersey 08755 (hereinafter "Assignee"), is desirous of acquiring the entire right, title, and interest in and to the Patent Rights and any patent(s) that may be granted thereon or therefrom.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby sells, assigns, and sets over to Assignee effective July 20, 2016, subject to any and all related security interests, liens, and other encumbrances, whether recorded or not recorded the following:

- a) the entire right, title, and interest in and to the Patent Rights, in the United States of America and all other countries, territories, and regions;
- b) the right to sue for and collect past damages and any other unsatisfied claims regarding any infringement of the Patent Rights, for its own use and benefit and for the use and benefit of its successors, assigns, or other representatives;
- c) all original, non-provisional, divisional, continuation, continuation-in-part, substitute, reexamined, or reissue applications and patents applied for or granted from the Patent Rights, or any Patent Rights amended or modified as a result of any inter partes review proceeding, opposition proceeding, or post-grant review proceeding; and
- d) any and all priority rights relating to the Patent Rights.

The Commissioner of Patents and Trademarks for the United States Patent and Trademark Office, and any foreign intellectual property office or patent office, are hereby authorized and requested to issue any patents resulting from the Patent Rights to Assignee as assignee of the entire interest therein; and the undersigned, its legal representatives, heirs, and assigns do hereby agree and covenant, without further remuneration to perform the following:

- a) execute and deliver all provisional, non-provisional, divisional, continuation, continuation-in-part, reissue, reexamination and other applications for patent within the Patent Rights and all assignments thereof to Assignee or its assigns;
- b) communicate to Assignee or its legal representatives all facts known to the undersigned regarding the Patent Rights;

c) testify in any interferences, inter partes review proceedings, opposition proceedings, post-grant review proceedings, civil proceedings, or other legal proceedings in which any of the Patent Rights may become involved; and

d) sign all lawful papers, make all rightful oaths, and do generally everything necessary to aid Assignee, its successors, assigns, and nominees in obtaining patent protection on the Patent Rights in all countries and regions, the expenses incident to said Patent Rights to be borne and paid by Assignee.

IN WITNESS WHEREOF, the Assignor has caused this instrument to be executed and delivered.
