ASSIGNMENT

THIS ASSIGNMENT, made by us, **Runmiao Wu**, a citizen of China, residing in Suzhou, China; **Hangsheng Wen**, a citizen of China, residing in Suzhou, China; **Xun Zhang**, a citizen of China, residing in Suzhou, China; and

WITNESSETH: That,

WHEREAS, we are joint inventors of certain new and useful improvements in, **PRINTED CIRCUIT BOARD ASSEMBLY AND BASE STATION ANTENNA** for which U.S. Patent Application No. **17/870,074** was filed on **July 21, 2022** in the United States Patent and Trademark Office; and

WHEREAS, **CommScope Technologies LLC**, a Delaware corporation having a principal place of business at 1100 CommScope Place, SE, Hickory, North Carolina, 28602, hereinafter referred to as assignee, is desirous of acquiring the entire right, title and interest in and to said invention(s) as described in said application, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have sold and by these presents do hereby sell, assign, transfer, and convey unto the said assignee, its successors and assigns, the entire right, title, and interest in and to the said invention(s) and application, and in and to any and all utility, continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereon or therefor, together with the right to claim the priority of said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.

We hereby request that said Letters Patent be issued in accordance with this assignment.

We further covenant and agree that, at the time of the execution and delivery of these presents, we possess full title to the said invention above-mentioned, and that we have the unconfeigned right and authority to make the assignment.

We further covenant and agree to cause to be communicated to said assignee or its representatives any facts known or to be known of said invention(s), to testify in any interference or legal proceedings involving said invention(s), to execute any additional papers which may be requested to carry out the right of the assignee, its representatives, successors, or assigns to secure patent or similar protection for the said invention(s) in all countries and to vest in the assignee complete title to the said invention(s) and to all its patent, without further compensation, but at the expense of said assignee, its successors, assigns, and their legal representatives; and we hereby instruct, and further covenant and agree to cause to be communicated, legal representatives, and assigns, to do same, without further compensation, to the said assignee or its representatives.

IN WITNESS WHEREOF, I have hereunto set my hand and seal on this 26 day of July, 1920.
