## **ASSIGNMENT OF APPLICATION FOR PATENT**

WHEREAS: Thomas Grosso (the “Assignor”), having a place of residence at 44 Bruce Avenue, Hicksville, NY 11801, invented a certain technology and holds all rights, title, and interest to the invention entitled **RESTRAINT DEVICE**, for which Application No. 17/903,154 (the “Patent Application”) for Letters Patent of the United States was filed on September 6, 2022; and

WHEREAS: EMPROKING LTD. (the “Assignee”), a New York Corporation having its principal place of business at 44 Bruce Avenue, Hicksville, NY 11801, desires to acquire rights in and to the invention disclosed in the Patent Application and any resulting domestic or international Patents.

THEREFORE, in consideration of the payment by Assignee to Assignor of the sum of One Dollar (\$1.00) and the promises and agreement contained herein and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, Assignor hereby sells, assigns, and transfers to Assignee 100% of its right, title, and interest in the invention, the Patent Application, and any resulting Patents to Assignee for the entire term of the Patent Application and any resulting Patents, whether domestic or international that claim priority to the Patent Application and any reissues or extensions and for the entire terms of any patents, reissues, or extensions that may issue from foreign applications, divisionals, continuations in whole or part, or substitute applications filed claiming the benefit of the Patent Application, as well as any priority rights resulting from such patent application filings.

Assignor hereby authorizes and requests the Patent and Trademark Office Officials in the United States and any and all foreign countries to issue any and all of said Patents, when granted, to Assignee, as the assignee of my entire right, title, and interest in and to the same, for the sole use and enjoyment of Assignee, its successors, and assigns. The right, title, and interest conveyed in this Assignment is to be held and enjoyed by Assignee and Assignee’s successors as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made.

Assignor further agrees that Assignee will, upon its request, be provided promptly with all pertinent facts and documents relating to said invention, Patent Application, and any resulting Patents as may be known and accessible to Assignor, and will testify as to the same in any legal proceedings related thereto and will promptly execute and deliver to Assignee or its legal representative any and all

papers, instruments, or affidavits required to apply for, obtain, maintain, and enforce said Patent Application, invention, and Patents which may be necessary or desirable to carry out the purposes hereof.
