**ASSIGNMENT**

WHEREAS, **PIERC S.r.l.** (hereinafter Assignor), a corporation organized and existing under and by virtue of the laws of **Italy**, having an office at **Via Sant'Anna n. 3/R, 41032 Cavezzo (MO)** **Italy**, is the owner of the entire right, title, interest and the goodwill in and to the following listed Patent in the United States by previous assignment(s);

**U.S. Patent No. 9,474,858 granted on October 25, 2016**

WHEREAS, **ADRIA MED S.r.l.** (hereinafter Assignee), a corporation organized and existing under and by virtue of the laws of **Italy**, having an office at **Via Ignazio Silone n. 1, 65028 Tocco da Casauria (PE), Italy**, is desirous of acquiring the entire right, title, interest and the goodwill in and to the invention(s) described and claimed in said Patent ;

NOW, THEREFORE, in consideration of the sum of ten dollars (\$10.00) and for good and valuable consideration, the receipt of and sufficiency of which are hereby acknowledged, said Assignor has sold, assigned and transferred and does hereby sell, assign and transfer unto said Assignee, its successors and assigns, its entire undivided right, title, interest and the goodwill in and to the said Patent and the invention(s) therein contained, including the right to sue for past infringement, and including the right to apply for any Letters Patent in the United States of America and in all foreign countries on said invention and including the right to claim the priority of the date of filing in the United States and any Letters Patent that may issue thereon, or therefor, in the United States and foreign countries and any further applications, including but not limited to continuations, divisionals, reissues and reexaminations, to be held and enjoyed by said Assignee, its successors and assigns, the same as it would have been held and enjoyed by said Assignor if this assignment and sale had not been made.

Said Assignor hereby represents and warrants that there are no rights or interests outstanding inconsistent with the rights and interest granted herein and that said Assignor will not execute any instrument or grant or transfer any rights, interests or goodwill inconsistent therewith, and said Assignor binds itself and its heirs, executors, administrators, employees and legal representatives, as the case may

be, to execute and deliver to said Assignee, its successors and assigns, any further documents or instruments and do any and all further acts that may be deemed necessary by said Assignee, its successors and assigns, to file applications for improvements and inventions in any country where it may elect to file such applications, and that may be necessary to vest in said Assignee, its successors and assigns, the title herein conveyed, or intended so to be, and to enable such title to be recorded in the United States and foreign countries where such application or applications may be filed.

AND, said Assignor further covenants and agrees, in consideration of the premises, that it, its executors and administrators, will, at any time upon request, communicate to said Assignee, its successors and assigns, any facts relating to the said invention and improvements and the history thereof, known to it or its successors and assigns, and that it will testify as to the same in any interference or other proceeding when requested to do so by said Assignee, its successors and assigns.

The undersigned hereby grants the law firm of NIXON & VANDERHYE P.C. the power to insert on this Assignment any further identification that may be necessary or desirable in order to comply with the rules of the U.S. Patent and Trademark Office for recordation of this document.

IN TESTIMONY WHEREOF, said Assignor has hereunto set its signature this 15 day of May 2023.
