4.1 Further Assurance

Without prejudice to any restriction or limitation on the extent of any Party's obligations under this Deed, each of the Parties (including, for the avoidance of doubt, any successors and assigns) shall at the Assignee's cost, from time to time, so far as each is reasonably able, do or procure the doing of all such acts and/or execute or procure the execution of all such documents in a form reasonably satisfactory to the Party concerned as they consider necessary to transfer the Design Rights and the Patents to Assignee or otherwise to give

Assignee the full benefit of this Deed, including the Assignor, at the Assignee's cost, doing all such acts and/or executing all such documents as necessary for the Assignee to record the Assignee on relevant registers of Intellectual Property Rights as the proprietor of the Design Rights and the Patents.

4.4 Counterparts

This Deed may be executed in any number of counterparts and by each Party on separate counterparts. Each counterpart is an original, but all counterparts shall together constitute one and the same instrument. Delivery of a counterpart of this Deed by e-mail attachment shall be an effective mode of delivery.

No amendment of this Deed (or of any of the documents referred to in this Deed) shall be valid unless it is in writing and executed by or on behalf of each of the Parties to it.

4.6 Invalidity

If any provision in this Deed shall be held to be illegal, invalid or unenforceable, in whole or in part, the provision shall apply with whatever deletion or modification is necessary so that the provision is legal, valid and enforceable and gives effect to the commercial intention of the Parties. To the extent it is not possible to so delete or modify the provision, in whole or in part, then such provision or part of it shall, to the extent that it is illegal, invalid or unenforceable, be deemed not to form part of this Deed and the legality, validity and enforceability of the remainder of this Deed shall (subject to any deletion or modification made under the first sentence of this Clause 4.6) not be affected.

4.7 Whole Agreement
