ASSIGNMENT

**Name(s)
of Inventor(s)**

WHEREAS, John Anthony Conklin and Scott Ryan Hammond (hereinafter designated as the Assignor) have invented certain new and useful improvements in an invention entitled:

**Title
of Invention**

INTEGRATED PHOTOVOLTAIC AND ELECTROCHROMIC WINDOWS (hereinafter referred to as "the invention")

for which an application for Letters Patent of the United States of America has been executed by the Assignor (except in the case of a U.S. provisional application), such Letters Patent of the United States of America having a filing date of:

**Filing Date
of Application**

14-NOV-2013

and being identified as Application No.:

**Application
Number**

14/079,909

**Name
of Assignee**

WHEREAS, New Energy Technologies, Inc.

**Address
of Assignee**

of 10632 Little Patuxent Parkway, Suite 406, Columbia MD, 21044 US

its heirs, successors, legal representatives and assigns (hereinafter designated as the Assignee) is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent(s) that may be granted therefor in the United States of America and in any foreign countries.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to the Assignor in hand paid, the receipt of which is hereby acknowledged, and other good and valuable consideration, the Assignor has (have) sold, assigned and transferred, and by these presents does sell, assign and transfer unto said Assignee the full and exclusive right to the said invention in the United States of America, its territories, dependencies and possessions and the entire right, title and interest in and to any and all Letters Patent(s) which may be granted therefor in the United States of America, its territories, dependencies and possessions, and if the box above is designated, in any and all foreign countries including all rights of priority arising from the application(s) and Letters Patent(s);

and to any and all divisions, reissues, continuations, conversions and extensions thereof for the full term or terms for which the same may be granted;

and to any and all causes of action, rights, and remedies arising under any such application(s) and Letters Patent(s) prior to or after the effective date of this Agreement including the right to recover damages for any infringement of any rights in and to the invention and any patents therefrom prior to the effective date of the agreement.

The Assignor agree(s) to execute all papers necessary in connection with this application and any continuing, divisional, conversion, reissue, or reexamination applications thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The Assignor agree(s) to, upon request and without further compensation, perform all affirmative acts which may be necessary to obtain a grant of a valid United States of America patent(s) or a grant of a valid United States of America and any foreign patent(s) to the Assignee and to vest all rights therein hereby conveyed to the Assignee as fully and entirely as the same would have been held by the Assignor if this Assignment and sale had not been made.

The Assignor agree(s) to, upon request and without further compensation, execute all papers and documents and to perform any act which may be necessary in connection with claims or provisions of the International Convention for the Protection of Industrial Property or similar agreements.

The Assignor hereby authorize(s) and request(s) the Patent and Trademark Office Officials in the United States of America and in any foreign countries to issue any and all Letters Patents resulting from the application or any continuing, divisional conversion or reissue applications thereof to the Assignee, as Assignee of the entire interest, and hereby covenants that he has (they have) the full right to convey the entire interest herein assigned, and that he has (they have) not executed, and will not execute, any agreement in conflict herewith.

The Assignor agree(s) to, upon request and without further compensation, execute all papers necessary in connection with any interference which may be declared concerning this application or continuation, division, conversion or reissue thereof or Letter Patent(s) or reissue patent issued thereon and to cooperate with the Assignee in every way possible in obtaining and producing evidence and proceeding with such interference.

The Assignor agree(s) to, upon request and without further compensation, communicate to the Assignee any facts known to the Assignor respecting the invention and to testify in any legal proceedings concerning this application or continuation, division, conversion or reissue thereof or Letter Patent(s) or reissue patent issued thereon, to execute all lawful papers necessary in connection with enforcing proper patent protection of the invention in all countries, and to cooperate with the Assignee in every way possible in obtaining and producing evidence and proceeding with such enforcement of patent protection.

The Assignor hereby grant(s) the law firm of Dresch IP Law, PLLC and Assignee the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the U.S. Patent and Trademark Office for recordation of this document.

The Assignor hereby covenant(s) that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.

The Assignor hereby represent(s) and warrant(s) that that no act has been or will be performed which would statutorily bar a grant of a valid United States of America patent(s) or a grant of a valid United States of America and any foreign patent(s) to the Assignee.

Assignor hereby grants Assignee the right to sell, transfer, or otherwise alienate the invention to third party(ies) in whole or in part including the right to license and sub-license.

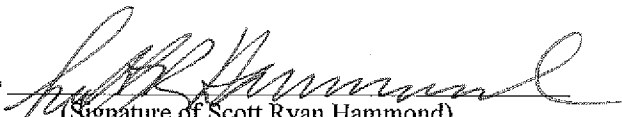

Assignor hereby waives any right or claim to a "shop" use or "shop right" of the invention.

In witness whereof, executed by the Assignor on the date(s) opposite the Assignor name(s).
