ASSIGNMENT

WHEREAS, Quotient Sciences Limited, a corporation duly organized and existing under the laws of the United Kingdom, having its principal office and place of business at Trent House, Mere Way, Ruddington Fields Business Park, Ruddington, Nottingham, NG11 6JSM, United Kingdom (hereinafter "Assignor"), has acquired ownership in certain new and useful improvements in 5-HYDROXYTRYPTOPHAN GASTRORETENTIVE DOSAGE FORM (hereinafter "Invention") for which a PCT International Application was filed on July 29, 2022 as Serial No. PCT/US2022/038914, and a U.S. patent application was filed on July 29, 2022 as Application Serial No. 17/877,699 (hereinafter "Applications"), each claiming priority to U.S. Provisional Patent Application Serial No. 63/227,915 filed July 30, 2021.

AND, WHEREAS, Evecxia Therapeutics, Inc., a corporation duly organized and existing under the laws of the state of Delaware, having its principal office and place of business at 2 Davis Drive, Research Triangle Park, North Carolina 27709, United States (hereinafter "Assignee"), is desirous of Assignor's ownership interest therein.

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor has sold and by these presents does hereby sell, assign, transfer and convey unto the Assignee, its successors and assigns, their entire right, title and interest in and to the Invention and Application, and in and to any and all U.S. and foreign patent applications filed on the Invention, and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Patents of the United States of America and all foreign countries or reissues thereof which may be granted therefor or thereon (hereinafter, "Patents"), for the full end of the term for which said Patents may be granted, together with their right to claim the priority of the Application in all countries in accordance with the Paris Convention, the Patent Cooperation Treaty, or other agreement or national law under which priority can be claimed, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made. It is expressly agreed by

Atty. Docket Nos.: 3282/5 PCT and 3282/5/2

Assignor and Assignee that this Assignment fully conveys and transfers from Assignor to Assignee the right to sue for any and all patent infringement occurring prior to the date of this Assignment.

Assignor hereby requests that said Patents be issued in accordance with this Assignment.

Assignor further covenants and agrees that, at the time of the execution and delivery of these presents, Assignor possesses the unencumbered right and authority to make this Assignment.

Assignor further covenants and agrees, and likewise bind their heirs, legal representatives and assigns, to promptly communicate to said Assignee or its representatives any facts known to him relating to the Invention, to testify and/or assist as requested by the Assignee in any interference or legal proceedings involving the Application, Patents, or Invention, including cooperating in any enforcement proceedings involving the Application, Patents, or Invention, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors and assigns to secure patent or similar protection for the Invention in all countries and to vest in the Assignee complete title to the Invention and Patents, without further compensation, but at the expense of said Assignee, its successors, assigns and other legal representatives.
