**CONFIRMATION OF ASSIGNMENT
Inventor(s) to ResMed Asia Pte. Ltd.**

WHEREAS, I/we, **Amit Arunchandra JADHAV**, an inventor, joint inventor, inventors or joint inventors (collectively hereinafter "Inventor") have made certain new and useful inventions relating to **PATIENT INTERFACE AND COMPONENTS THEREOF**, (hereinafter "Inventive Subject Matter") which is described in and for which application has been made as follows:

- Provisional Patent Application filed on November 30, 2023 in Singapore and designated as Application No 10202011925X (ResMed Ref.: P1943SG1);
- International (PCT) Patent Application filed on November 30, 2021 in Singapore and designated as Application No. PCT/SG2021/050736 (ResMed Ref.: P1943WO1);
- U.S. Patent Application filed on May 16, 2023 in the United States and designated as Application No. 18/253,199 (ResMed Ref.: P1943US1).

WHEREAS, the Inventive Subject Matter was created or developed in the course of Inventor's engagement as an employee/contractor of **ResMed Asia Pte. Ltd.** (hereinafter "Assignee"), a company incorporated in Singapore, whose postal address is 3 Tuas Avenue 2, Singapore 639443, SG.

WHEREAS, Assignee is desirous of acquiring the entire right, title and interest in and to said Inventive Subject Matter, including without limitation said application(s), for every jurisdiction, including without limitation the United States of America and all other countries, and any benefits of or to be obtained therefrom:

NOW THEREFORE, in consideration of the sum of one dollar (\$1.00) and/or other good and valuable consideration including under any employee or contractor agreement (as the case may be), the receipt and sufficiency of which are hereby acknowledged, and on the Effective Date herein, Inventor has sold, assigned, and set over and/or to any extent not previously, by this Confirmation of Assignment document does hereby sell, assign and set over unto Assignee (and if applicable the Assignee's successors and assigns), Inventor's entire right, title and interest in and to said Inventive Subject Matter for every jurisdiction, including without limitation the United States of America and all other countries, said application(s) and any benefits of or to be obtained therefrom, including without limitation any continuation, including continuation-in-part, or divisional application, renewal or substitute thereof, international, foreign and regional applications corresponding or claiming priority thereto pursuant to any law or treaty, including the right to claim such priority or benefit, and the Letters Patent, both foreign and domestic, that may

or shall issue thereon, or any reissue or re-examination thereof, and Inventor does hereby authorize and request the U.S. Commissioner of Patents and any other country's Commissioner of Patents to issue said Letters Patent to the above-mentioned Assignee, consistent with the terms of this Confirmation of Assignment document.

UPON SAID CONSIDERATION, Inventor hereby covenants and agrees with Assignee that Inventor has not and will not execute any writing or do any act whatsoever conflicting with this Confirmation of Assignment document, and that Inventor will, at any time upon request, without further or additional consideration, but at the expense of Assignee, execute such additional assignments and other writings and do such additional acts as Assignee may deem necessary or desirable to perfect Assignee's or Assignee's assign's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, continuation, including continuation-in-part, or divisional application, renewal, substitute, reissued, re-examined or extended Letters Patent of the United States, or of any and all other countries, on said Inventive Subject Matter, and in enforcing any rights or chose in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of all parties hereto.

And I/we do hereby authorize attorneys for Assignee to insert on this Confirmation of Assignment any additional filing date and application number and/or patent number of the aforementioned application(s) when known.

This Confirmation of Assignment may be executed by electronic signature, e.g, in portable document format (PDF), and may be executed in any number of counterparts which taken together will constitute one and the same agreement and will be effective as delivery of a signed original.

By signing below, whether as (i) a wet ink signature, (ii) an electronic signature, and/or (iii) a digital signature, I/we indicate our intent to effect this Confirmation of Assignment document.
