ASSIGNMENT

WHEREAS We, the below named inventors (hereinafter referred to as "Assignors"), have made an invention entitled:

WOUND DRESSING

as described in an application for United States Letters Patent filed in the U.S. Patent and Trademark Office (USPTO), identified by U.S. Application No. 16/641,004, filed on February 21, 2020, being the U.S. national phase entry of International Application No. PCT/GB2018/052394 filed on August 23, 2018, which claims priority to GB Application No. 1713511.2, filed on August 23, 2017; and

WHEREAS, SCAPA UK LIMITED, a corporation of the United Kingdom whose post office address is Manchester Road, Ashton-under-Lyne, Greater Manchester OL70ED, United Kingdom (hereinafter referred to as "Assignee"), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, including the above-referenced applications, any Letters Patent to be issued upon the above-referenced applications, and any application claiming priority to the above-referenced applications;

NOW THEREFORE, be it known that, for good and valuable consideration, the receipt of which from Assignee is hereby acknowledged, We, as Assignors, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, our entire right, title, and interest in and to this invention, U.S. Application No. 16/641,004, filed on February 21, 2020, and all divisions and continuations thereof; all Letters Patent of the United States which may be granted thereon, and all reissues thereof; and all applications for Letters Patent which have or may hereafter be filed for this invention in any foreign country, including International Application No. PCT/GB2018/052394, filed on August 23, 2018, and GB Application No. 1713511.2, filed on August 23, 2017, and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof; and all rights to claim priority on the basis of the above-referenced applications; and We hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, WE HEREBY covenant that We have the full right to convey the interest assigned by this Assignment, and We have not executed and will not execute any agreement in conflict with this Assignment;

AND, WE HEREBY authorize and request the Assignee or its designee to insert in this instrument the filing date and application number of the application when ascertained.

AND, WE HEREBY further covenant and agree that We will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all non-provisional, divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.
