ASSIGNMENT

BRAANDCO F.Z.E. (referred to as "ASSIGNOR"), having an address at ELOB Office No. E-58G-13, Hamriyah Free Zone, Sharjah, United Arab Emirates, is the owner of one or more inventions described in the following application:

Jurisdiction and Application No.	Filing Date (MM/DD/YYYY)	Patent No.	Issue Date (MM/DD/YYYY)	Title
US 16/384,233	04/15/2019	11,407,551	08/09/2022	CONTAINER, SYSTEM, AND METHOD FOR PROVIDING A CONTAINER WITH A HANDLE

(referred to as the "Application").

Branko Podpecan (referred to as "ASSIGNEE"), having an address of P.O. Box 74130, Emirate Hills HT 01, Dubai, United Arab Emirates is desirous of acquiring ASSIGNOR's entire right, title, and interest in and to the one or more inventions, the Application, and any letters patent which may be granted for the Application and for any application claiming priority to the Application in the United States and in any and all foreign jurisdictions.

In exchange for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNOR hereby sells, assigns, and transfers, or confirms the previous sale, assignment, and transfer, by law, agreement, or otherwise, to ASSIGNEE, ASSIGNOR's entire right, title, and interest in and to the one or more inventions, the Application, and any letters patent that may be granted for the Application, and for any application claiming priority to the Application in the United States and all foreign jurisdictions, including any extensions or adjustments in term thereof, including divisions, continuations, continuations-in-part, and reissues thereof, including the right to file applications directly in the name of ASSIGNEE and to claim priority to the Application and any application claiming priority to the Application in the United States and in all foreign jurisdictions under any applicable legislation, convention, treaty, or otherwise, and further including the right to sue and obtain legal and equitable relief, including damages, profits, and injunctions, for past, present, and future infringement of any letters patent that may be granted for the Application and for any application claiming priority to the Application; the Application, any application claiming priority to the Application, and any letters patent that may be granted for the Application or for any application claiming priority to the Application to be held and enjoyed by ASSIGNEE and their successors and assigns for their use and benefit as fully and entirely as the same would have been held and enjoyed by ASSIGNOR had the sale, assignment, and transfer not been executed.

ASSIGNOR hereby authorizes the relevant authority to issue all letters patent on the Application and any application claiming priority to the Application to ASSIGNEE.

ASSIGNOR agrees to execute all instruments required for the filing and prosecution of the Application and any application claiming priority to the Application, for litigation regarding any letters patent, or for the purpose of protecting title to the Application, or any application claiming priority to the Application, and any and all letters patent granted therefor. In the event the present

Assignment is determined to be ineffective with respect to any portion of ASSIGNOR's right, title, and interest in and to the Application or any application claiming priority to the Application, ASSIGNOR agrees to assign ASSIGNOR's entire right, title, and interest in and to the Application and any application claiming priority to the Application to ASSIGNEE.

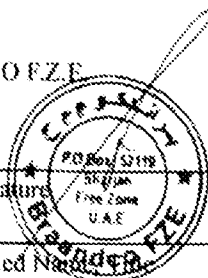

ASSIGNOR hereby authorizes Seed Intellectual Property Law Group LLP to insert the jurisdiction, application number, filing date, patent number, issue date, and title of the Application and any application claiming priority to the Application above.
