DEED OF ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned INVENTOR (ASSIGNOR) named below:

URBANPIER LLC

having an address at

130 HAMPSHIRE DRIVE
CRANBERRY TOWNSHIP,
PENNSYLVANIA 16066

hereby sell, assign, and set over to the

ASSIGNEE (APPLICANT):

PRANATI TALNIKAR

having an address at

130 HAMPSHIRE DRIVE
CRANBERRY TOWNSHIP,
PENNSYLVANIA 16066

my entire and exclusive right, title, and interest in and to the invention entitled "LEGGING HAVING A POCKET FLAP".

- for which a United States Non -Provisional Design Patent Application has been executed on even date herewith, naming Pranati Talnikar as the inventor, and identifiable by Attorney Docket No. Talnikar-1004D.
- for which a design patent #D963,291, has been granted in the United States of America.
- for which Utility Patents may be granted in the United States of America.

I, the ASSIGNOR, hereby assign and set over to the ASSIGNEE my ENTIRE RIGHTS, TITLE, and INTEREST in and to (A) the invention disclosed in the aforementioned Utility Patent Applications, (B) said aforementioned Utility Patent Applications, (C) any Utility Patents that may be granted thereof, and (D) any Utility Patent Applications which may claim the priority of the aforementioned Utility Patent Applications, including continuations, reissues, divisions, reexaminations and counterpart Utility Patent Applications that may be filed under any existing or future, national or international patent conventions.

I hereby agree to execute any and all the DOCUMENTS requested by the ASSIGNEE, his successors, assigns, legal representatives and nominees, at their reasonable expense, in connection with the enforcement of the rights associated with the aforementioned Utility Patent Applications and Utility Patents that may be granted thereof, and any Utility Patent Applications which may claim the priority of the aforementioned Utility Patent Applications, including continuations, reissues, divisions, reexaminations and counterpart Utility Patent Applications that may be under any existing or future, national or international patent conventions.

I hereby authorize and request the Commissioner of Patents to issue any and all United States Utility Patents resulting from the aforementioned United States Utility Patent Application or any continuation, reissue, division, and reexamination thereof to the ASSIGNEE.

I hereby agree to do everything possible, within the purview of the laws of the territory of US and any applicable International Laws, to enable the ASSIGNEE, his successors, assigns, legal representatives and nominees, at their request and reasonable expense, in maintaining PATENT CERTIFICATES corresponding to the Utility Patents that may be granted in respect of the aforementioned Utility Patent Applications, including continuations, reissues, divisions, reexaminations and counterpart Utility Patent Applications that may be filed under any existing or future, national or international patent conventions.

In particular, I agree to provide to the ASSIGNEE, his successors, assigns, legal representatives and nominees, at their request and at their reasonable expense, all the INFORMATION known to me or ascertainable by me, and all the documents and other materials and objects that are in my possession or accessible to me, in respect of the invention disclosed in the aforementioned Utility Patent Applications and any Utility Patents that may be granted

thereof.

And further, at any trial, hearing, deposition, or other legal proceedings where I am called as a witness by the ASSIGNEE, its successors, assigns, legal representatives and nominees, I agree to TESTIFY to all the facts for which I am competent to testify, in respect of the invention disclosed in the aforementioned Utility Patent Applications and any Utility Patents that may be granted thereof.

I agree to execute all papers and documents at the ASSIGNEE's expense and to communicate to the ASSIGNEE any facts known to me in respect of the improvements to the invention disclosed in the aforementioned Utility Patent Applications, and sign all lawful papers, execute all divisional, continuing, and reissue Utility Patent Applications, make all rightful oaths and generally perform any acts which are reasonably necessary in connection with the prosecution of the aforementioned Utility Patent Applications, any counterpart applications based thereon, and any derivative applications (including continuations, reissues, divisions, and reexaminations) thereof, and the enforcement of Utility Patents resulting from such applications.

I authorize and request my attorney/agent to insert hereon the relevant serial numbers and filing dates or any other information deemed necessary to perfect this assignment and/or record this assignment, when known.

I also agree that the terms, conditions, and covenants of this assignment shall inure to the benefit of the ASSIGNEE, his successors, assigns, legal representatives and nominees, and shall be binding upon the INVENTOR, as well as the INVENTORS' heirs, legal representatives and assigns.

I hereby covenant not to challenge the validity or enforceability of any of the aforementioned Utility Patent Applications and the resultant Utility Patents assigned to the ASSIGNEE.

I hereby covenant that I have all the rights to convey the entire interest that is being assigned by this assignment and that no other assignment, sale, license, agreement, or encumbrance has been or will be made or entered into that would conflict with this assignment.
