Assignment

WHEREAS, I/WE, Kirill ARISTOVICH, of London, Greater London W1T 4TP, United Kingdom; and David HOLDER, of London, Greater London W1T 4TP, United Kingdom; (hereinafter called "the inventor(s)") have invented or discovered certain improvements in **NERVE STIMULATION DEVICE FOR CURRENT STEERING** (hereinafter referred to as "the invention and improvements") for which priority application **62/609223** was filed on **21 December 2017** in the United States, and for which a PCT international application **PCT/GB2018/053600** was filed on **11 December 2018**, designating the United States of America.

WHEREAS, **UCL Business Ltd.**, a company incorporated under the laws of England and whose registered office is at The Network Building, 97 Tottenham Court Road, London, Greater London W1T 4TP, United Kingdom, is desirous of acquiring the whole right, title and interest in and to the invention and improvements, and in and to any applications for the invention and improvements and any Letters Patent to be obtained therefor, in all countries, including the United States of America, its territories and possessions;

NOW, THEREFORE, to all whom it may concern, be it known that I/we, the inventors, hereby confirm the ownership by **UCL Business Ltd.** of the invention and improvements and the application by operation of law and, if under the law of the United States of America, I/we, the inventor(s), have any ownership right, title and interest in and to the invention and improvements and the application (which I/we do not believe to be the case and claim no ownership right, title or interest in and to the invention and improvements and to the application based on the law of the United Kingdom), I/we, the inventor(s), nevertheless, hereby assign and transfer such ownership right, title and interest in and to the invention and improvements and to the application, including the right to claim priority from the application in respect of any subsequent applications, to **UCL Business Ltd** in all countries, including the United States of America, its territories and possessions;

AND I/we, the inventors, hereby assign and transfer to **UCL Business Ltd**, my/our whole right title and interest in and to the invention and improvements and the application, and in and to any divisional application, continuation or continuation-in-part application thereof, and in and to any Supplementary Protection Certificate, extension or re-issue thereof, and I/we the inventor(s) hereby authorise and request any patent arising therefrom, in all countries, including the United States, its territories and possessions, be issued to **UCL Business Ltd**.

AND, I/we, the inventor(s), for myself/ourselves and my/our respective executors and legal representatives hereby, agree at the request and cost of **UCL Business Ltd**, to provide information and make, execute and deliver any and all other instruments in writing, and any and all further acts, applications, papers, affidavits, assignments and other documents which may be possible and are necessary or desirable to more effectually secure to and vest in said **UCL Business Ltd**, its successors and assigns, the whole right, title and interest in and to the invention and improvements hereby assigned and transferred in all countries, including the United States of America, its territories and possessions.

IN WITNESS whereof and with effect from **21 December 2017**, the inventor(s) and the Authorised Official of **UCL Business Ltd** have hereunto set my/our respective hand(s).
