ASSIGNMENT OF INTELLECTUAL PROPERTY

FOR \$100.00 (ONE HUNDERD U.S. DOLLARS) AND OTHER GOOD AND VALUABLE CONSIDERATION, which includes Mr. Igor Simon Alexandroff assuming all fees and expenses associated with patent preparation and prosecution from January 1, 2023, through the execution date of this Assignment Agreement, the receipt, sufficiency and adequacy of which are hereby acknowledged, General Technologies Corp. (the "Assignor"), a corporation organized and existing under and by virtue of the laws of the State of Delaware, and having its principal place of business at 350 East 82nd Street, Unit 11C, New York, NY 10028, does hereby SELL, ASSIGN AND TRANSFER to Igor Simon Alexandroff (the "Assignee"), a corporation organized and existing under and by virtue of the laws of the State of Delaware, and having its principal place of business at 350 East 82nd Street, Unit 11C, New York, NY 10028, the entire right, title and interest to Assignor's intellectual property, including trademarks, copyrights, trade secrets, knowhow, inventions, patents, and patent applications, including those identified in **Schedule A** attached hereto. Concerning inventions, patents, and patent applications being assigned under this Assignment of Intellectual Property, they include all of Assignor's inventions, patents, and patent applications in United States and all foreign countries, and any and all improvements which are disclosed in such patents and patent applications and all non-provisional, divisional, continuing, substitute, renewal, reissue and all other applications for patent which have been or shall be filed in the United States and all foreign countries on any of such improvements; all original and reissued patents which have been or shall be issued in the United States and all foreign countries on such improvements; and specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority based on such applications in the United States;

ASSIGNOR AUTHORIZES AND REQUESTS the issuing authority to issue any and all United States and foreign patents granted on such improvements to the Assignee;

ASSIGNOR WARRANTS AND COVENANTS that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned Assignor, and that the full right to convey the same as herein expressed is possessed by the undersigned Assignor;

ASSIGNOR COVENANTS that, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned Assignor will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all such improvements; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to the undersigned relating to such improvements and the history thereof; and generally do everything possible which the Assignee shall consider desirable for securing, maintaining and enforcing proper patent protection

for such improvements and for vesting title to such improvements in the Assignee;

ASSIGNOR COVENANTS AND AGREES that the above is and will be binding on the heirs, assigns, representatives and successors of the undersigned Assignor and extend to the successors, assigns and nominees of the Assignee.
