And whereas EnergyLink.US, a California LLC (hereafter, together with any successors, legal representatives and assigns thereof, called "Assignor"), has acquired via a previous Assignment a restrictive undivided interest to said improvement and applications,

AND WHEREAS Roozbeh Movafagh (hereafter, together with any successors, legal representatives and assigns thereof, called "Assignee"), wants to acquire from the Assignor, said restrictive undivided interest to said improvement and applications previously assigned, so as to hold the entire right, title and interest in said improvement, applications and the granted patent.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the I, the Assignor has sold, assigned, transferred and set over, and do hereby sell,

assign, transfer and set over to Assignee its interest in said applications, issued patent and all non-provisional applications, including divisions, substitutions, continuations and continuations-in-part thereof, and all United States Letters Patents which may be granted thereon and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, and all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for said improvements in any foreign countries, and all patents (including all extensions, renewals and reissues thereof) granted for said improvements in any foreign countries; and we hereby authorize and request the United States Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty it is to issue patents on applications as aforesaid, to issue all patents for said improvements to Assignee in accordance with the terms of this assignment;

AND I HEREBY covenant that I have the full right to convey the entire interest herein assigned, and that I have not executed, and will not execute any agreement in conflict herewith;

AND I HEREBY further covenant and agree that I will communicate to Assignee any facts known to me respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all non-provisional, divisional, continuation, continuations-in-part, substitute and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for said improvements in all countries.
