ASSIGNMENT

Page 1 of 3 (including Exhibit A)

WHEREAS, ADMMicro Properties, L.L.C., whose post office address is 11921 Freedom Drive, Suite 1120, Reston, VA 20190 (hereinafter referred to as Assignor), holds certain right, title, or interest in inventions (“Inventions”), including the inventions disclosed in the applications listed in Exhibit A attached hereto and all other inventions in which Assignor holds any right, title, or interest;

WHEREAS, GridPoint, Inc., whose post office address is 11921 Freedom Drive, Suite 1120, Reston, VA 20190 (hereinafter referred to as Assignee), is desirous of securing and memorializing its entire right, title, and interest in the Inventions and in all countries throughout the world, in and to any applications for United States or foreign patents on those Inventions, and any patents issued or to be issued upon such applications;

NOW THEREFORE, be it known that, for good and valuable consideration, the receipt of which from Assignee is hereby acknowledged, to the extent the Assignor holds any right, title or interest in the Inventions, Assignor transfers all such right, title, and interest to Assignee, and does hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, its entire right, title, and interest in and to the applications and patents listed in the attached Exhibit A, all nonprovisional applications, divisions, and continuations thereof, and all Letters Patent of the United States which have been granted or may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of the application(s) listed in the attached Exhibit A, and all applications for Letters Patent filed for the Inventions in any country and all Letters Patent which may be granted on the Inventions in any country, and all extensions, renewals, and reissues thereof; and hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents the Inventions, including on applications as described above, to issue all Letters Patent for these Inventions to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, Assignor HEREBY further covenants and agrees that it will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to Assignor and its officers and employees respecting these Inventions, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to the Inventions in said Assignee, its successors or assigns, execute all nonprovisional, divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for these Inventions in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.
