## RELEASE OF SECURITY INTEREST IN PATENTS

This RELEASE OF SECURITY INTEREST IN PATENTS (this “Release”), dated as of 24 July, 2023 (the “Effective Date”), is made by LLOYDS BANK PLC, in its capacity as security trustee for the benefit of the Secured Parties (the “Security Agent”), in favor of EUTEK SYSTEMS, INC. (the “Grantor”).

WHEREAS, pursuant to that certain Security Agreement, dated as of May 24, 2018 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), made by the Grantor and the other Grantors from time to time party thereto in favor of the Security Agent, the Grantor granted to the Security Agent a security interest in and to certain intellectual property;

WHEREAS, pursuant to the Security Agreement, the Grantor executed and delivered a Patent Security Agreement, dated as of May 24, 2018 (the “Patent Security Agreement”), pursuant to which the Grantor reaffirmed its grant of a security interest in all of the Grantor’s right, title and interest in and to the Patents, and the use thereof, together with all proceeds and products thereof and the goodwill of the businesses symbolized by the Patents, including those set forth on Schedule I hereto;

WHEREAS, the Patent Security Agreement was recorded with the United States Patent and Trademark Office on May 24, 2018 at Reel 45897 and Frame 880;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Security Agent hereby agrees as follows:

1. Defined Terms. All capitalized terms used, but not otherwise defined herein, shall have the respective meanings ascribed in or otherwise referenced in the Security Agreement or the Patent Security Agreement, as applicable.

2. Release. The Security Agent, without representation or warranty of any kind, hereby releases, discharges, terminates, and cancels all of its security interest in and to the Patents, including but not limited to the patent and patent licenses set forth in Schedule I attached hereto, and any goodwill associated therewith, arising under the Security Agreement and the Patent Security Agreement. If and to the extent that the Security Agent has acquired any right, title, or interest in and to the Patents under the Patent Security Agreement or the Security Agreement, the Security Agent, without representation or warranty of any kind, hereby re-transfers, re-conveys, and re-assigns such right, title or interest to the Grantor, including any goodwill associated therewith. The Security Agent authorizes and requests that this Release be recorded at the United States Patent and Trademark Office.

3. Termination. The Security Agent, without representation or warranty of any kind, terminates and cancels the Patent Security Agreement.

4. Further Assurances. The Security Agent agrees to take all further actions, and provide to the Grantor all such cooperation and assistance (including, without limitation, the execution and delivery of any and all documents or other instruments), reasonably requested by the Grantor, to more fully and effectively effectuate the purposes of this Release.

5. Severability. In the event and to the extent that any provision hereof shall be deemed to be invalid or unenforceable by reason of the operation of any law or by reason of the interpretation placed thereon by any court, this Release shall to such extent be construed as not containing such provision, but only as to such locations where such law or interpretation is operative, and the invalidity or unenforceability of such provision shall not affect the validity of any remaining provisions hereof, and any and all other provisions hereof which are otherwise lawful and valid shall remain in full force and effect.

6. Governing Law. This Release and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of, or relating to this Release and the transactions contemplated hereby shall be governed by, and construed in accordance with and governed exclusively by the laws of the State of New York, without regard to conflicts of law or choice of law principles.

[Signature pages follow]

IN WITNESS WHEREOF, the Security Agent has caused this Release to be executed by its duly authorized representative as of the Effective Date:
