ASSIGNMENT

IN CONSIDERATION of One Dollar and other good and valuable consideration, receipt of which is hereby acknowledged, we, Jeffrey A. Whited, Dennis R. Seguin, Jr. and Bernard J. Esarey, all citizens of the United States of America, and residing at 4423 Kings Forest Blvd., Richfield, Ohio 44286, U.S.A., 38058 Springwood Court, North Ridgeville, OH 44039, U.S.A. and 2647 West Skyline Drive, Lorain, OH 44053, U.S.A., respectively, do hereby sell, transfer, set over, and assign unto BETTCHEr INDUSTRIES, INC., a Delaware corporation having its principal place of business at 6801 State Route 60, Birmingham, OH 44889, U.S.A., its successors, assigns, nominees, or other legal representatives, the entire right, title, and interest in and to the invention entitled CAM-ACTUATED SPLIT BLADE HOUSING FOR POWER OPERATED ROTARY KNIFE, invented by us, and the application for United States patent therefor, namely, U.S. Non-Provisional Patent Application Serial No. 16/013,565, filed June 20, 2018, ("said U.S. Non-Provisional Patent Application") and all original and reissued patents granted therefor, and further including the entire right, title and interest in and to any and all U.S. and/or foreign patent applications ("said U.S. and/or foreign patent applications"), including any and all U.S. patent applications, foreign patent applications, and international PCT (Patent Cooperation Treaty) patent applications, claiming priority from said U.S. Non-Provisional Patent Application, including the right to apply for and obtain patents in the U.S. and all foreign countries, and further including any and all original and reissued patents granted or issuing from said U.S. Non-Provisional Patent Application and/or said U.S. and/or foreign patent applications, and all continuation, divisional, continuation-in-part, design patent applications, foreign industrial design registrations, and/or reissue patent applications thereof, including the subject-matter of any and all claims which may be obtained in any U.S. and/or foreign patent or patents issuing from said U.S. Non-Provisional Patent Application and/or said U.S. and/or foreign patent applications, and all original and reissued patents which may be granted thereon in the U.S. or any foreign countries, and hereby authorize and request the Commissioner of Patents of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue any patent or Letters Patent to said BETTCHEr INDUSTRIES, INC., its successors, assigns, nominees, or other legal representatives, as assignee and owner of the entire interest in the patent or Letters Patent, and covenant that we have full right to convey said entire interest herein assigned and that we have not executed and will not execute any agreement in conflict herewith, and agree that we will communicate to said BETTCHEr INDUSTRIES, INC., its successors, assigns, nominees or other legal representatives, all facts known

to us respecting said invention, whenever requested, and testify in any legal proceedings, sign all lawful papers, execute and deliver said U.S. and/or foreign patent applications, including all U.S. and foreign applications, international PCT, divisional, continuation, continuation-in-part, design, industrial design, and/or reissue applications, make all rightful oaths and do all lawful acts requisite for the application for such non-provisional, foreign, international PCT, divisional, continuation, continuation-in-part, design, or reissue applications, or the procuring thereof, and that if and when said BETTCHER INDUSTRIES, INC., its successors, assigns, nominees or other legal representatives desire to file a disclaimer relating thereto, we will, upon request, sign and deliver all lawful papers requisite for the filing of such disclaimer, and we further covenant and agree that we will, at any time upon request do everything legally possible to aid said BETTCHER INDUSTRIES, INC., its successors, assigns, nominees or other legal representatives, either in its or our own name, to apply for, obtain and enforce proper patent protection in all countries, including priority rights granted to patents in foreign countries according to all the laws and treaties in force, all without further consideration but at the expense of said BETTCHER INDUSTRIES, INC., its successors, assigns, nominees or other legal representatives.
