ASSIGNMENT

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, The Jukebox Trust, a trust formed under the laws of New Hampshire on November 12, 2002 by Richard H. Rugg and Kathleen L. Rugg, Co-trustees, the undersigned Assignor by virtue of an assignment from Richard, H. Rugg and Mark D. Lorusso, hereby:

Sells, assigns and transfers to Richard H. Rugg, an individual residing at 25 Stratham Lane, Greenland, New Hampshire, 03840; Darrell W. Rugg, an individual residing at 35 Stratham Lane, Greenland, New Hampshire 03840; and Craig M. Rugg, an individual residing at PO Box 1084, Grover Beach, California, 93483, hereinafter referred to collectively as the Assignees, the entire right, title and interest for the United States of America and for all foreign countries in certain inventions and/or improvements thereof for a WASTE BASKET LINER SECURING APPARATUS disclosed and described in U.S. Patent No. 10,287,093, issued May 14, 2019, and in all Letters Patent of the United States and all foreign countries which may or shall be granted on the inventions, or any parts thereof, or on the application, or any subsequently filed applications disclosing the inventions and/or improvements, including, but not limited to, any regular utility, divisional, continuing, reissue or other domestic, international and/or foreign applications based in whole or in part thereon.

Assignor agrees, when requested, without charge, but at the expense of the Assignees, to carry out in good faith the intent and purpose of this assignment by executing all rightful oaths, assignments, powers of attorney and other papers, by communicating to the Assignees all facts known to Assignor relating to the identified inventions and the history thereof, and generally by doing everything possible which the Assignees shall consider desirable for aiding in maintaining proper patent protection for the inventions through the patent and any subsequent U.S. and/or foreign counterpart applications and patents issuing or derived therefrom and for vesting title to the patent application and any subsequent U.S. and/or foreign counterpart applications and patents issuing or derived therefrom in the Assignee.

Assignor also covenants with the Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by Assignor, and that the full right to convey the same as herein expressed is possessed by Assignor.
