 hereafter referred to as assignor, have invented certain new and useful improvements in
HANGING STORAGE ORGANIZER
☒ for which an application for a United States Design Patent was filed on January 14, 2010
 Application Number 29/353,786
☐ for which an application for a United States Design Patent was executed by me on _____
☐ for which an International Application was filed on _____, as
 _____, designating the United States.

And

Whereas, Bad Bath & Beyond Procurement Co., Inc.
 a corporation of New York herein referred to as "assignee" whose mailing address is
110 Bi-County Boulevard, Farmingdale, New York 11735
 is desirous of acquiring the entire right, title and interest in the same;
 NOW THEREFORE, in consideration of the sum of one dollars (\$ 1.00), the receipt whereof is
 acknowledged, and other good and valuable consideration, I as assignor hereby sell, assign and set over to said
 assignee the entire right, title and interest for the United States of America and all other countries in and to said
 invention and the aforesaid Design patent application and all original, divisional, continuation, substitute or reissue
 applications and patents applied for or granted therefor in the United States of America and all other countries, for
 said invention, including without limitation all applications and patents for said invention claiming priority or benefit of
 the aforesaid Design application pursuant to any law or treaty, and including the right to claim such priority or benefit
 and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said
 improvements or resulting therefrom to said assignee herein, as assignee of the entire interest therein; and the
 undersigned for me and my legal representatives, heirs and assigns do hereby agree and covenant without further
 remuneration, to execute and deliver all original, divisional, continuation, reissue and other applications for Design
 Patent on said improvements and all assignments thereof to said assignee or its assigns, to communicate to said
 assignee or its representatives all facts known to the undersigned respecting said improvements, whenever
 requested, to testify in any interferences or other legal proceedings in which any of said applications or patents may
 become involved, to sign all lawful papers, make all rightful oaths, and to do generally everything necessary to aid
 assignee, its successors, assigns and nominees to obtain patent protection for said improvements in all countries, the
 expenses incident to said applications to be borne and paid by said assignee.

And I do hereby authorize my attorneys to insert on this deed the filing date and application number of said application
 when known.
