ASSIGNMENT

WHEREAS, the undersigned, to wit: Attila A. Hunson (hereinafter "ASSIGNOR"), is the lawful owner of an invention entitled TOOL FOR PERCUTANEOUS JOINT CARTILAGE DESTRUCTION AND PREPARATION FOR JOINT FUSION, for which a patent application of the United States was filed on May 10, 2016 in the United States Patent and Trademark Office having Application Serial No. 15/151,252 and issued on February 5, 2019 as U.S. Patent No. 10,194,923;

AND WHEREAS, ExsoMed Corporation (hereinafter "ASSIGNEE"), a corporation duly organized and existing under the laws of Delaware and having its principal office and place of business at 135 Columbia, Suite 201, Aliso Viejo, California 92656, desires to acquire the entire right, title, and interest therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, said ASSIGNOR hereby sells, assigns, and transfers to ASSIGNEE and its successors, assigns, and legal representatives, the entire right, title, and interest for the United States and all foreign countries, in and to any and all inventions or improvements that are disclosed in the application for the above-described invention and in and to all provisional applications, non-provisional applications, utility applications, design applications, divisional applications, continuation applications, continued prosecution applications, continuation-in-part applications, substitute applications, renewal applications, reissue applications, reexaminations, extensions, and all other patent applications that have been or shall be filed in the United States and all foreign countries on any of said inventions or improvements; and in and to all original patents, reissued patents, reexamination certificates, and extensions, that have been or shall be issued in the United States and all foreign countries on said inventions or improvements; and in and to all rights of priority resulting from the filing of said application (collectively, the "Assigned Intellectual Property"), including, without limitation, the right and standing to sue for and recover damages for any past, present or future infringement, misappropriation or unauthorized use of the Assigned Intellectual Property, to have and to hold the same, for the full duration of all such rights, and any renewals and extensions thereof, as fully and entirely as the same would have been held by Assignor had this Assignment not been made;

ASSIGNOR hereby agrees that said ASSIGNEE may apply for and receive a patent or patents for said inventions or improvements in its own name; and that, when requested at the expense of said ASSIGNEE, its successors, assigns, and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute the necessary documents associated with all provisional applications, non-provisional applications, utility applications, design applications, divisional applications, continuation applications, continued prosecution applications, continuation-in-part applications, substitute applications, renewal applications, reissue applications, reexaminations, extensions, and all other patent applications on any and all said inventions or improvements; execute all rightful oaths, assignments, powers of attorney, and other papers; communicate to said ASSIGNEE, its successors, assigns, and representatives all facts known to the undersigned relating to said inventions or improvements and the history thereof; and generally assist said ASSIGNEE, its successors, assigns, or representatives in securing and maintaining proper patent protection for said inventions or improvements and for

vesting title to said inventions or improvements, and all applications for patents and all patents on said inventions or improvements, in said ASSIGNEE, its successors, assigns, and legal representatives; and

ASSIGNOR furthermore covenants with said ASSIGNEE, its successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
