CONFIRMATORY ASSIGNMENT OF PATENT RIGHTS

This Confirmatory Assignment of Patent Rights Agreement (this "Agreement") is made and entered into by and between Eli Lilly and Company, an Indiana corporation ("Purchaser") and 1096401 B.C. Unlimited Liability Company, a British Columbia unlimited liability company ("Seller").

WHEREAS, Seller owns all right, title and interest in and to the patents and applications listed on the attached Exhibit A (the "Patents");

WHEREAS, Seller desires to sell, assign and transfer to Purchaser, and Purchaser desires to purchase and receive, the Patents;

WHEREAS, Seller and Purchaser have entered into an Intellectual Property Purchase Agreement to effect selling, assigning and transferring the Patents;

NOW, THEREFORE, in consideration of the mutual covenants, terms and conditions set forth in the Intellectual Property Purchase Agreement between Seller and Purchaser, the receipt and sufficiency of which are hereby acknowledged, Seller and Purchaser confirm the following:

1. Confirmatory Assignment. Seller hereby confirms that it has transferred, assigned, conveyed and delivered to Purchaser all of Seller's rights and interest in, to or related to the Patents on the Effective Date and Time (as defined in the Intellectual Property Purchase Agreement between Seller and Purchaser), including any corresponding domestic applications (including provisional applications from which any of the Patents claim priority, original, non-provisional, divisional, continuation, and continuations-in-part, reexamination, or reissue patent or application), corresponding foreign applications, rights to claim priority to any of the above-mentioned Patents and applications, all letters patent or similar legal protection issuing thereon, and all rights and benefits under any applicable treaty or convention and all claims for damages by reason of past, present, or future infringement, or misappropriation of the foregoing, with the right to sue for and collect the same. Seller authorizes the Commissioner of the U.S. Patent and Trademark Office or foreign equivalent thereof to issue the Letters Patent or similar legal protection to the Purchaser.

2. Further Assurances. Each party hereby covenants and agrees that it shall execute and deliver such deeds and other documents as may be required to implement any of the provisions of this Agreement.

3. Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Indiana, United States of America. All disputes and controversies of every kind and nature between the parties hereto arising out of or in connection with this Agreement shall be subject to the exclusive jurisdiction of the courts in Indiana, United States of America. The U.S. courts shall apply the substantive and procedural laws of the United States.

4. Counterparts. This Agreement may be executed in multiple copies, each of which shall for all purposes constitute an agreement, binding on the parties, and each party hereby

covenants and agrees to execute all duplicates or replacement counterparts of this Agreement as may be required.

IN WITNESS WHEREOF, the parties hereto have executed this Confirmatory Assignment of Patent Rights Agreement effective as of the Effective Date and Time.
