ASSIGNMENT

This Assignment made by us, Gary David McKnight, a citizen of the United States, and Randall Linwood Rayborn, a citizen of the United States, hereinafter referred to as "ASSIGNORS".

WHEREAS, we, the ASSIGNORS, are joint inventors of certain new and useful improvements in an invention entitled, "REACTION METHODS FOR PRODUCING NITROGENOUS PHOSPHORYL COMPOUNDS THAT ARE IN SITU FLUID COMPOSITIONS" US Provisional Application No. 63/161,064, filed March 15, 2022 and US Application No. 17/695,783, filed March 15, 2022 for which an application for Letters Patent of the United States has been made;

WHEREAS, McRay Products, LLC, an institution chartered under the laws of Florida, United States and having a principal operation and address as follows:

7901 4th Street North Suite 300
St. Petersburg, FL 33702

hereinafter referred to as "ASSIGNEE", is desirous of acquiring the entire right, title and interest of the ASSIGNORS in and to said invention as described in the above-referenced United States Patent Application, and any and all Letters Patent which shall be granted therefore;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, the said ASSIGNORS, have sold, assigned, transferred and set over unto the said ASSIGNEE, its successors and assigns, the ASSIGNORS entire right, title and interest in and to the above-mentioned application and invention and in and to any and all Letters

Patent of the United States which may hereafter be granted therefore, and in any and to any and all continuations, continuations-in-part, substitutions, divisionals or reissues of said Letters Patent, the same to be held and enjoyed by the said ASSIGNEE, for its interest, and for its own use and behalf, and the use and behalf of its successors and assigns, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by us had this assignment and sale not been made.

And for the consideration aforesaid, we hereby covenant and agree to and with the said ASSIGNEE, its successors and assigns, that at the time of the execution and delivery of these presents we are the joint and lawful owners of the entire right, title and interest in and to the invention, application and Letters Patent above-mentioned and that the same are unencumbered, and that we have good right and lawful authority to sell and convey the same in the manner herein set forth.

And for the consideration aforesaid, we hereby covenant and agree to and with the said ASSIGNEE, its successors and assigns, that we will, whenever its counsel or the counsel of its successors and assigns, learned in the law, shall advise that an amendment, divisional, continuation, continuation-in-part, or substitution of, or in any other proceeding in connection with said application, is lawful and desirable, sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for the procurement of valid Letters Patent for said invention, or for the reissue of the same without charge to our said ASSIGNEE, its successors or assigns, but at its or their expense.

We hereby request the Commissioner for Patents to issue the Letters Patent in accordance with this instrument.

IN WITNESS WHEREOF, we have hereunto set our hands and seals on the date provided below:

Date: March 16, 2022 /Gary David McKnight/
