## UNIVERSAL ASSIGNMENT

WHEREAS CVTech inc. of 300, rue Labonté Drummondville J2C 6X9 Quebec Canada; hereinafter referred to as the "Assignor" is the exclusive owner of the patents and patents application(s) listed in Schedule 1 attached hereto and any inventions disclosed therein, all relating generally to an invention entitled "TRANSMISSION CONTROL SYSTEM AND METHOD THEREOF."

AND WHEREAS, CVTech-IBC inc., a corporation of 300, rue Labonté Drummondville J2C 6X9 Quebec Canada, hereinafter referred to as the "Assignee" has acquired from the whole right, title and interest for the United States of America, Canada and all other countries in and to the said invention and in and to any Letters Patent that may be obtained therefore, and in and to said application(s).

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt of all of which is hereby acknowledged, the Assignor, by these presents confirm to have sold, assigned and transferred and do hereby sell, assign and transfer unto the said Assignee, the full and exclusive right to the said invention if any in the United States of America, Canada and all other countries and the entire right, title and interest in and to any and all Letters Patent which may be granted therefore, and the entire right, title and interest in and to said application(s), and in and to any divisions, continuations, continuations-in-part and extensions of said application(s), together with the right to claim the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property based on said patent application(s), the right to take any legal action concerning the rights granted by any such patents or patent applications including the right to sue for any past or previous infringements.

Assignor agrees that he/she will without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain patents for said invention and for additions and modifications thereto in any and all countries, and to vest title thereto in said assignee, its successors, assigns and legal representatives or nominees.

Assignor hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said Assignee, the assignee of the entire right, title and interest in and to the same, for its sole use and benefit, and for the use and benefit of its successors and

assigns, to the full end of the term for which Letters Patent may be granted as fully and entirely as the same would have been held by me had this assignment and sale not been made.

The undersigned hereby grant(s) the firm of **Benoît & Côté Inc.** whose address is 560 Cremazie Blvd. East, Suite 300, Montreal, Quebec, Canada H2P 1E8, the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office or other Patent Offices in the world.

This assignment supersedes any previous assignments. Notwithstanding the previous, it is understood by the Assignor and the Assignee that the terms and conditions of the call for tenders that lead to such assignment remain in full force and effect, including the terms and conditions of the sale invoice issued by the Assignor.

Le(s) soussigné(s) désire(nt) que la présente cession soit en anglais. The undersigned request(s) that the present assignment be in English.
