ASSIGNMENT

WHEREAS, PT. Kemas Indah Maju Co., Ltd, of Jl. Rawaterate II No. 16, Kawasan Industri Pulo Gadung, Jakarta Timur, Jakarta 13930, Indonesia ("PT. Kemas") is the assignee of the entire right, title and interest of United States Non-Provisional Application Serial No. 15/654,918, filed July 20th, 2017 and International Patent Application Serial No. PCT/ID2017/001702 filed December 23rd, 2017 ("Said Applications"), including any divisional, continuation, continuation-in-part, continued prosecution, or provisional application thereof, and in all patents, including United States Patent No. 10,159,324 that issued from Said Applications, and any reissued, extended or reexamined patent thereof, of the United States, and of the inventions as set forth in Said Applications ("Said Inventions"), and

WHEREAS, WE, Nata Kumara DINATA of Jakarta Utara, Indonesia, and Goro KIKUCHI of Chiba, Japan, have made a certain improvement invention ("said improvement invention") pertaining to Said Inventions as set forth in an application for United States Letters Patent entitled DEVICE HAVING A SEALABLE CONTAINER FOR A VOLATILE COMPOSITION, Attorney's Docket No. PTK-005R, United States Patent Application Serial No. 16/451,215 filed June 25th, 2019 ("said improvement patent application").

We made said improvement invention set forth in said improvement patent application while under obligation at the time said improvement invention was made to assign said improvement invention to PT. Kemas. Pursuant to said obligation, we assign to PT. Kemas, its legal representatives, successors and assigns, the entire right, title and interest in said improvement patent application, including the right to claim priority of the filing date of said improvement patent application under international conventions, and in said improvement invention as set forth in said improvement patent application, including any divisional, continuation, continuation-in-part, continued prosecution, or provisional application thereof, and in all patents, including any reissued, extended or reexamined patent thereof, of the United States and of any foreign country which may be issued for said improvement invention, as fully and completely as the same would have been held by us had this assignment not been made. The entire right, title and interest shall vest irrevocably in PT. Kemas. We further agree upon request, without additional compensation but at no expense to us, to execute or assent to foreign applications, and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to PT. Kemas, its legal representatives, successors and assigns, or as said PT. Kemas may direct.

AND we request the Commissioner of Patents to issue any Letters Patent of the United States which may be issued for said improvement invention to said PT. Kemas, its legal representatives, successors or assigns, as the sole owner of the entire right, title, and interest in said improvement patent application and said improvement invention covered thereby.
