Stock Option	
1. Meaning that stock options may be granted in a certain case;	
1. The company may grant employees and those who are executives and employees prescribed by related laws the stock option under Article 189-4 of the Securities and Exchange Act within 30/100 of the total number of issued shares by a special resolution at the general shareholders' meeting. However, stock options may be granted to executives and employees by resolution of the board of directors up to the limit set by related laws within the scope of 10/100 of the total number of issued stocks.	
2. Persons other than executives and employees who have been granted stock options and executives and employees specified in relevant laws and regulations are executives and employees who have contributed or have the ability to contribute to the establishment, management, and technological innovation of the company
