**WeWork Companies LLC**, a Delaware limited liability company, having its principal place of business at 115 West 18th Street, New York, New York 10011 (the "**Assignee**"), desires to acquire the entire right, title and interest in and to the Invention(s) and the Applications, and in and to any patents (collectively, "**Patents**") that may be granted for the Invention(s) in the United States or in any foreign countries.

For valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor has sold, assigned, and transferred and does hereby sell, assign, and transfer to Assignee, its successors, legal representatives and assigns, the entire worldwide right, title and interest in and to: (a) the Invention(s), the Application, and any Patents; (b) any divisions, continuations, and continuations-in-

part of the Applications and any other application claiming priority rights from the Application that have been or may be filed in the United States or elsewhere in the world; (c) any reissues, reexaminations, or extensions of any and all Patents; (d) the right to file foreign applications directly in the name of Assignee; (e) the right to claim priority rights deriving from the Application; and (f) any and all rights under the Patents, including past damages (collectively, the "Rights").

Assignor agrees that it has not and will not sign any writing or do any act conflicting with this Assignment, and agrees to sign all documents and do such additional acts as Assignee deems necessary or desirable to: (1) perfect Assignee's enjoyment of the Rights; (2) conduct proceedings regarding the Rights, including any litigation or interference proceedings; or (3) perfect or defend title to the Rights. Assignor further agrees to provide any successor, assign, or legal representative of Assignee with the benefits and assistance provided to Assignee hereunder.

Assignor requests the Commissioner of Patents to issue any Patent of the United States that may be issued on the Invention(s) to Assignee. This Assignment may be executed in counterparts, each of which shall be deemed an original and all of which may be taken together as one and the same Assignment.
