 - (i) each Chargor shall be entitled to receive and retain all dividends, distributions and other monies paid on or derived from its Shares and Investments; and
 - (ii) each Chargor shall be entitled to exercise or direct the exercise of all voting and other rights and powers attaching to its Shares and Investments provided that it shall not exercise or direct the exercise of any such voting rights or powers in a manner which would prejudice the interests of the Secured Parties under this Debenture or adversely affect the validity, enforceability or existence of the Charged Property or the Security created under this Debenture.
- (b) On and at any time after the occurrence of an Enforcement Event, all voting rights in respect of the Shares and Investments shall be exercised by a Chargor as directed by the Security Agent, unless the Security Agent has notified such Chargor in writing that it wishes to give up this right.
- (c) On and at any time after the occurrence of an Enforcement Event, each Chargor shall hold any dividends, distributions and other monies paid on or derived from the Shares and Investments on trust for the Secured Parties and pay the same to, or as directed by, the Security Agent.
- (d) If, at any time after the occurrence of an Enforcement Event, any Shares or Investments are registered in the name of the Security Agent or its nominee, the Security Agent will not be under any duty to ensure that any dividends,

distributions or other monies payable in respect of those Shares or Investments are duly and promptly paid or received by it or its nominee, or to verify that the correct amounts are paid or received, or to take any action in connection with the taking up of any (or any offer of any) stocks, shares, rights, moneys or other property paid, distributed, accruing or offered at any time by way of interest, dividend, redemption, bonus, rights, preference, option, warrant or otherwise on or in respect of or in substitution for, any of those Shares or Investments.

- (e) Promptly following the receipt by any Chargor or any member of the Group whose shares are the subject of Transaction Security (or, in each case, its nominee) of:
 - (i) any notice issued under 790D or 790E of the Companies Act 2006 or any Warning Notice or Restrictions Notice;
 - (ii) any other notice, correspondence or other communication in respect of any Investments of any Chargor or any Relevant Interest of any Chargor or any other member of the Group whose shares are the subject of Transaction Security,

that Chargor shall (and shall procure that such other member of the Group whose shares are the subject of Transaction Security shall) notify the Security Agent of that receipt and promptly provide to the Security Agent a copy of that notice, correspondence or other communication.

- (f) No Chargor shall (and each Chargor shall procure that no member of the Group whose shares are the subject of Transaction Security shall) exercise its rights to issue a Warning Notice or Restrictions Notice unless it is required to do so under applicable law.
- (g) Each Chargor shall (and shall procure that each other member of the Group whose shares are the subject of Transaction Security shall) notify the Security Agent of its issuance of any Warning Notice or Restrictions Notice and promptly provide to the Security Agent a copy of that Warning Notice or Restrictions Notice.
- (h) Each Chargor shall (and shall procure that each other member of the Group whose shares are the subject of Transaction Security shall) provide all reasonable assistance to the Security Agent in connection with any application to the court that it makes under Schedule 1B to the Companies Act 2006 in respect of any Relevant Interest of any Chargor, any other member of the Group whose shares are the subject of Transaction Security, and provide the Security Agent with all information, documents and evidence that it may reasonably request in connection with the same.
- (i) Each Chargor (other than Holdco) shall (and shall ensure that each member of the Group whose shares are the subject of Transaction Security shall) notify the Security Agent of any change that it makes to its PSC Register and provide to the Security Agent a copy of its updated PSC Register, in each case, within 5 Business Days of such change.

- (j) Each Chargor shall (and shall procure that each other member of the Group whose shares are the subject of Transaction Security shall) comply with the terms of any notice it receives under section 790D or 790E of the Companies Act 2006 within the timeframe specified in that notice.
- (k) Notwithstanding the Security created by this Debenture, each Chargor shall promptly pay all calls, instalments and other payments that may be or become due and payable in respect of all or any of the Shares or Investments. Each Chargor acknowledges that the Security Agent shall not be under any liability in respect of any such calls, instalments or other payments.

8.4 Further information

Each Chargor shall, promptly following the execution hereof (and in any case, within three (3) Business Days of the date of this Debenture (or any Security Accession Deed, as applicable)) deliver to the Security Agent:

- (a) details of any Intellectual Property which form part of the Charged Property or the Security created under this Debenture;
- (b) details of any Property which form part of the Charged Property or the Security created under this Debenture (which for the avoidance of doubt (but without prejudice to the obligations on each Chargor in Clauses 3.6(a) and 3.6(b) of this Debenture) excludes any Property which does not constitute Charged Property pursuant to the provisions of Clause 3.6(a)(i) of this Debenture); and
- (c) details of any Equipment which form part of the Charged Property or the Security created under this Debenture.

8.5 Supplemental Security

Each Chargor shall, promptly following the execution hereof (and in any case, within five (5) Business Days of the date of this Debenture (or any Security Accession Deed, as applicable)) execute and deliver to the Security Agent (a) any supplement to this Debenture or any other document requested by the Security Agent to evidence the security interest created over any Property which forms part of the Charged Property or the Security created under this Debenture (which for the avoidance of doubt (but without prejudice to the obligations on each Chargor in Clauses 3.6(a) and 3.6(b) of this Debenture) excludes any Property which does not constitute Charged Property pursuant to the provisions of Clause 3.6(a)(i) of this Debenture) in a form appropriate for recording or registering such security interest on any applicable registers or official databases, as applicable, and (b) a solicitor's undertaking in favour of the Security Agent, in form and substance satisfactory to the Security Agent, to register the security to be granted by such supplement to this Debenture (including the registration of such security at HM Land Registry against the titles to any Property).

9. SECURITY AGENT'S POWER TO REMEDY

9.1 Power to Remedy

If any Chargor fails to comply with any obligation set out in Clause 7 (*Protection Of Security*) or Clause 8 (*Undertakings*) and that failure is not remedied to the satisfaction of the Security Agent acting on the instructions of the Majority Lenders within 5 Business Days of the Security Agent giving notice to the relevant Chargor or the relevant Chargor becoming aware of the failure to comply, it will allow (and irrevocably authorises) the Security Agent or any person which the Security Agent nominates to take any reasonable action on behalf of that Chargor which is necessary to ensure that those obligations are complied with.

9.2 Indemnity

Each Chargor will indemnify the Security Agent against all losses and expenses incurred by the Security Agent as a result of a breach by any Chargor of its obligations under Clause 7 (*Protection Of Security*) or Clause 8 (*Undertakings*) and in connection with the exercise by the Security Agent of its rights contained in Clause 9.1 above. All sums the subject of this indemnity will be payable by the relevant Chargor to the Security Agent on demand.

10. CONTINUING SECURITY

10.1 Continuing Security

The Security constituted by this Debenture shall be a continuing security notwithstanding any intermediate payment or settlement of all or any part of the Secured Liabilities or any other act, matter or thing.

10.2 Other Security

The Security constituted by this Debenture is to be in addition to and shall neither be merged in nor in any way exclude or prejudice or be affected by any other Security or other right which the Security Agent and/or any other Secured Party may now or after the date of this Debenture (or, as the case may be, after the date of a Security Accession Deed) hold for any of the Secured Liabilities, and this Security may be enforced against each Chargor without first having recourse to any other rights of the Security Agent or any other Secured Party.

11. ENFORCEMENT OF SECURITY

11.1 Enforcement Powers

For the purpose of all rights and powers implied or granted by statute, the Secured Liabilities are deemed to have fallen due on the date of this Debenture. The power of sale and other powers conferred by section 101 of the Law of Property Act 1925 and all other enforcement powers conferred by this Debenture shall be immediately exercisable on and at any time after the occurrence of an Enforcement Event or if a Chargor requests the Security Agent to exercise any of its powers under this Debenture.

11.2 Statutory Powers

The powers conferred on mortgagees, receivers or administrative receivers by the Law of Property Act 1925 and the Insolvency Act 1986 (as the case may be) shall apply to the Security created under this Debenture, unless they are expressly or impliedly

excluded. If there is ambiguity or conflict between the powers contained in those Acts and those contained in this Debenture, those contained in this Debenture shall prevail.

11.3 Exercise of Powers

All or any of the powers conferred upon mortgagees by the Law of Property Act 1925 as varied or extended by this Debenture, and all or any of the rights and powers conferred by this Debenture on a Receiver (whether expressly or impliedly), may be exercised by the Security Agent without further notice to any Chargor on and at any time after the occurrence of an Enforcement Event, irrespective of whether the Security Agent has taken possession or appointed a Receiver of the Charged Property.

11.4 Disapplication of Statutory Restrictions

The restriction on the consolidation of mortgages and on power of sale imposed by sections 93 and 103 respectively of the Law of Property Act 1925 shall not apply to the security constituted by this Debenture.

11.5 Appropriation under the Financial Collateral Regulations

- (a) To the extent that any of the Charged Property constitutes “financial collateral” and this Debenture and the obligations of the Chargor hereunder constitute “security financial collateral arrangement” (in each case as defined in, and for the purposes of, the Financial Collateral Arrangements (No. 2) Regulations 2003 (as amended) (the “**Regulations**”)), the Security Agent shall have the right to appropriate all or any part of such financial collateral in or towards discharge of the Secured Liabilities and may exercise that right to appropriate by giving notice to the relevant Chargor on and at any time after the occurrence of an Enforcement Event.
- (b) The Parties agree that the value of any such appropriated financial collateral shall be: (x) in the case of cash, the amount standing to the credit of the relevant bank account, together with any accrued interest at the time of appropriation; (y) in the case of securities, the price at which such securities can be disposed of by the Security Agent; and (z) in the case of any other asset, the market value of such financial collateral as determined by the Security Agent, in each case, in a commercially reasonable manner (including by way of an independent valuation). The Parties agree that the methods of valuation provided for in this paragraph shall constitute commercially reasonable methods of valuation for the purposes of the Regulations.

11.6 Powers of Leasing

Following the occurrence of an Enforcement Event, the Security Agent may lease, make agreements for leases at a premium or otherwise, accept surrenders of leases and grant options or vary or reduce any sum payable under any leases or tenancy agreements as it thinks fit, without the need to comply with any of the provisions of sections 99 and 100 of the Law of Property Act 1925.

11.7 Fixtures

Following the occurrence of an Enforcement Event, the Security Agent may sever any fixtures from the property to which they are attached and sell them separately from that property.

12. RECEIVERS

12.1 Appointment of Receiver

- (a) Subject to paragraph (c) below, at any time after notice demanding payment of any sum which is then due but unpaid in respect of the Secured Liabilities has been given by the Security Agent to any Chargor, or if so requested by the relevant Chargor, the Security Agent may by writing under hand signed by any officer or manager of the Security Agent, appoint any person (or persons) to be a Receiver of all or any part of the Charged Property.
- (b) Section 109(1) of the Law of Property Act 1925 shall not apply to this Debenture.
- (c) The Security Agent shall be entitled to appoint a Receiver save to the extent prohibited by section 72A Insolvency Act 1986.

12.2 Powers of Receiver

Each Receiver appointed under this Debenture shall have (subject to any limitations or restrictions which the Security Agent may incorporate in the deed or instrument appointing it) all the powers conferred from time to time on receivers by the Law of Property Act 1925 and the Insolvency Act 1986 (each of which is deemed incorporated in this Debenture), so that the powers set out in Schedule 1 to the Insolvency Act 1986 shall extend to every Receiver, whether or not an administrative receiver. In addition, notwithstanding any liquidation of the relevant Chargor, each Receiver shall have power to:

- (a) manage, develop, reconstruct, amalgamate or diversify any part of the business of the relevant Chargor;
- (b) enter into or cancel any contracts on any terms or conditions;
- (c) incur any liability on any terms, whether secured or unsecured, and whether to rank for payment in priority to this security or not;
- (d) let or lease or concur in letting or leasing, and vary the terms of, determine, surrender leases or tenancies of, or grant options and licences over, or otherwise deal with, all or any of the Charged Property, without being responsible for loss or damage;
- (e) establish subsidiaries to acquire interests in any of the Charged Property and/or arrange for those subsidiaries to trade or cease to trade and acquire any of the Charged Property on any terms and conditions;
- (f) make and effect all repairs, renewals and improvements to any of the Charged Property and maintain, renew, take out or increase insurances;

- (g) exercise all voting and other rights attaching to the Shares or Investments and stocks, shares and other securities owned by the relevant Chargor and comprised in the Charged Property, but only following a written notification from either the Receiver or the Security Agent to the relevant Chargor stating that the Security Agent shall exercise all voting rights in respect of the Shares or Investments and stocks, shares and other securities owned by the relevant Chargor and comprised in the Charged Property;
- (h) redeem any prior Security on or relating to the Charged Property and settle and pass the accounts of the person entitled to that prior Security, so that any accounts so settled and passed shall (subject to any manifest error) be conclusive and binding on the relevant Chargor and the money so paid shall be deemed to be an expense properly incurred by the Receiver;
- (i) appoint and discharge officers and others for any of the purposes of this Debenture and/or to guard or protect the Charged Property upon terms as to remuneration or otherwise as he may think fit;
- (j) settle any claims, accounts, disputes, questions and demands with or by any person who is or claims to be a creditor of the relevant Chargor or relating to any of the Charged Property;
- (k) implement or continue the development of (and obtain all consents required in connection therewith) and/or complete any buildings or structures on any real property comprised in the Charged Property;
- (l) purchase or acquire any land or any interest in or right over land;
- (m) exercise on behalf of the relevant Chargor all the powers conferred on a landlord or a tenant by any legislation from time to time in force in any relevant jurisdiction relating to rents or agriculture in respect of any part of the Property; and
- (n) do all other acts and things (including signing and executing all documents and deeds) as the Receiver considers to be incidental or conducive to any of the matters or powers in this Clause 12.2, or otherwise incidental or conducive to the preservation, improvement or realisation of the Charged Property, and use the name of the relevant Chargor for all such purposes,

and in each case may use the name of any Chargor and exercise the relevant power in any manner which he may think fit.

12.3 Receiver as Agent

Each Receiver shall be the agent of the relevant Chargor, which shall be solely responsible for his acts or defaults, and for his remuneration and expenses, and be liable on any agreements or engagements made or entered into by him. The Security Agent will not be responsible for any misconduct, negligence or default of a Receiver.

12.4 Removal of Receiver

The Security Agent may by notice remove from time to time any Receiver appointed by it (subject to the provisions of section 45 of the Insolvency Act 1986 in the case of an administrative receivership) and, whenever it may deem appropriate, appoint a new Receiver in the place of any Receiver whose appointment has terminated, for whatever reason.

12.5 Remuneration of Receiver

The Security Agent may from time to time fix the remuneration of any Receiver appointed by it.

12.6 Several Receivers

If at any time there is more than one Receiver appointed under this Debenture, each Receiver may separately exercise all of the powers conferred by this Debenture (unless the document appointing such Receiver states otherwise).

13. APPLICATION OF PROCEEDS

13.1 Order of Application

All moneys received or recovered by the Security Agent or any Receiver pursuant to this Debenture shall (subject to the claims of any person having prior rights thereto) be applied in the order and manner specified in the Facility Agreement notwithstanding any purported appropriation by any Chargor.

13.2 Insurance Proceeds

If an Enforcement Event has occurred, all moneys received by virtue of any insurance maintained or effected in respect of the Charged Property shall be paid in accordance with the instructions of the Security Agent (or, if not paid by the insurers directly to the Security Agent, shall be held on trust for the Security Agent) and shall, unless required to be applied in a particular way by the basis of settlement under an Insurance Policy, at the option of the Security Agent, be applied in replacing or reinstating the assets destroyed, damaged or lost (any deficiency being made good by the relevant Chargor) or (except in the case of leasehold premises) in reduction of the Secured Liabilities.

13.3 Section 109 Law of Property Act 1925

Sections 109(6) and (8) of the Law of Property Act 1925 shall not apply to a Receiver appointed under this Debenture.

13.4 Application against Secured Liabilities

Subject to Clause 13.1 above, any moneys or other value received or realised by the Security Agent from a Chargor or a Receiver under this Debenture may be applied by the Security Agent to any item of account or liability or transaction forming part of the Secured Liabilities to which they may be applicable in any order or manner which the Security Agent may determine (acting reasonably).

13.5 Suspense Account

Until the Secured Liabilities are paid in full, the Security Agent or the Receiver (as applicable) may place and keep (for such time as it shall determine) any money received, recovered or realised pursuant to this Debenture or on account of any Chargor's liability in respect of the Secured Liabilities in an interest bearing separate suspense account (to the credit of either the relevant Chargor or the Security Agent or the Receiver as the Security Agent or the Receiver shall think fit) and the Security Agent or the Receiver may retain the same for the period which it considers expedient without having any obligation to apply all or any part of that money in or towards discharge of the Secured Liabilities.

14. PROTECTION OF SECURITY AGENT AND RECEIVER

14.1 No Liability

Neither the Security Agent nor any Receiver shall be liable in respect of any of the Charged Property or for any loss or damage which arises out of the exercise or the attempted or purported exercise of, or the failure to exercise any of, their respective powers, unless caused by its or his gross negligence, fraud or wilful default.

14.2 Possession of Charged Property

Without prejudice to Clause 14.1 above, if the Security Agent or the Receiver enters into possession of the Charged Property, it will not be liable to account as mortgagee in possession and may at any time at its discretion go out of such possession.

14.3 Primary liability of Chargor

Each Chargor shall be deemed to be a principal debtor and the sole, original and independent obligor for the Secured Liabilities and the Charged Property shall be deemed to be a principal security for the Secured Liabilities. The liability of each Chargor under this Debenture and the charges contained in this Debenture shall not be impaired by any forbearance, neglect, indulgence, abandonment, extension of time, release, surrender or loss of securities, dealing, variation or arrangement by the Security Agent or any other Secured Party, or by any other act, event or matter whatsoever whereby the liability of the relevant Chargor (as a surety only) or the charges contained in this Debenture (as secondary or collateral charges only) would, but for this provision, have been discharged.

14.4 Waiver of defences

The obligations of each Chargor under this Debenture (or a Security Accession Deed, as applicable) will not be affected by an act, omission, matter or thing which, but for this Clause 14.4, would reduce, release or prejudice any of its obligations under this Clause 14.4 (without limitation and whether or not known to it or any Secured Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Chargor or other person;
- (b) the release of any other Chargor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;

- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Chargor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Chargor or any other person;
- (e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of a Finance Document or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

14.5 Security Agent

- (a) The Security Agent is party to this Debenture in its capacity as agent and trustee for and on behalf of itself and the Secured Parties pursuant to the terms and conditions of the Facility Agreement. As between the Security Agent and the Secured Parties, the terms and conditions of the Facility Agreement which apply to the Security Agent under that agreement also apply to it as Security Agent under this Debenture.
- (b) The Security Agent declares that it shall hold the Security created under or evidenced by this Debenture on trust for those entities which are from time to time Secured Parties.
- (c) The Security Agent may rely on, exercise and be protected by the discretions, protections, powers and rights conferred on trustees, mortgagees or receivers under the Act, the Trustee Acts 1925 and 2000 (the "**Trustee Acts**"), the Trustee Investment Act 1962 and the Insolvency Act 1986.
- (d) Each of the Parties agrees that the Security Agent shall have only those duties, obligations and responsibilities expressly specified in this Debenture or any other Finance Document (and no others shall be implied).
- (e) Section 1 of the Trustee Act 2000 shall not apply to the duties of the Security Agent in relation to the trusts constituted by this Debenture. Where there are any inconsistencies between the Trustee Acts and the provisions of this Debenture, the provisions of this Debenture shall, to the extent allowed by law, prevail and, in the case of any inconsistency with the Trustee Act 2000, the provisions of this Debenture shall constitute a restriction or exclusion for the purposes of the Trustee Act 2000.

- (f) Any resignation or replacement of the Security Agent or any appointment of a successor to the Security Agent shall take effect in accordance with the provisions of the Facility Agreement save that no resignation of the Security Agent as trustee hereunder shall take effect unless at least one other trustee has been appointed.
- (g) If the Security Agent, with the approval of the Majority Lenders, determines that (a) all of the Secured Liabilities have been fully and finally discharged and (b) none of the Secured Parties is under any commitment, obligation or liability (whether actual or contingent) to make advances or provide other financial accommodation to any Finance Party pursuant to the Finance Documents, the trusts set out in this Debenture shall be wound up. At that time the Security Agent shall, at the request of and at the sole cost of the relevant Chargor, release, without recourse or warranty, all of the Security then held by it and the rights of the Security Agent under this Debenture, at which time each of the Security Agent, and that Chargor shall be released from its obligations under this Debenture (save for those which arose prior to such winding-up).
- (h) The rights, duties and obligations of the Security Agent set forth in this Debenture, shall be governed by the provisions set out in Clause 28 (*Role of the Security Agent*) of the Facility Agreement and do not exclude or limit in any way the rights of the Security Agent pursuant to any other Finance Document and do not prevent the exercise of any other rights or remedies provided by law or the Finance Documents. For the avoidance of any doubt, when acting under and/or in connection with this Debenture, the Security Agent shall have all the benefits, indemnities, privileges, protections, and rights granted to it as Security Agent under the Facility Agreement, including with respect to the appointment of a delegate, attorney and/or agent in England.

14.6 Delegation

The Security Agent may delegate by power of attorney or in any other manner all or any of the powers, authorities and discretions which are for the time being exercisable by it under this Debenture to any person or persons upon such terms and conditions (including the power to sub-delegate) as it may think fit (acting reasonably). The Security Agent will not be liable or responsible to any Chargor or any other person for any losses arising from any act, default, omission or misconduct on the part of any delegate.

14.7 Cumulative Powers

The powers which this Debenture confers on the Security Agent, the other Secured Parties and any Receiver appointed under this Debenture are cumulative, without prejudice to their respective powers under the general law, and may be exercised as often as the relevant person thinks appropriate. The Security Agent, the other Secured Parties or the Receiver may, in connection with the exercise of their powers, join or concur with any person in any transaction, scheme or arrangement whatsoever. The respective powers of the Security Agent, the other Secured Parties and the Receiver will in no circumstances be suspended, waived or otherwise prejudiced by anything other than an express consent or amendment.

15. POWER OF ATTORNEY

Each Chargor, by way of security, irrevocably and severally appoints the Security Agent, each Receiver and any person nominated for the purpose by the Security Agent or any Receiver (in writing and signed by an officer of the Security Agent or Receiver) as its attorney (with full power of substitution and delegation) in its name and on its behalf and as its act and deed to execute, seal and deliver (using the company seal where appropriate) and otherwise perfect and do any deed, assurance, agreement, instrument, act or thing which the attorney may consider to be required or desirable:

- (a) before the occurrence of an Enforcement Event, which that Chargor is obliged to do under this Debenture but has not done;
- (b) after the occurrence of an Enforcement Event, to do anything which that Chargor is obliged to do under this Debenture; and
- (c) which may be required or deemed proper in the exercise of any rights or powers conferred on the Security Agent or any Receiver under this Debenture or otherwise for any of the purposes of this Debenture.

Each Chargor covenants with the Security Agent and each Receiver to ratify and confirm all such acts or things made, done or executed by that attorney.

16. PROTECTION FOR THIRD PARTIES

16.1 No Obligation to Enquire

No purchaser from, or other person dealing with, the Security Agent or any Receiver (or their agents) shall be obliged or concerned to enquire whether:

- (a) the right of the Security Agent or any Receiver to exercise any of the powers conferred by this Debenture has arisen or become exercisable or as to the propriety or validity of the exercise or purported exercise of any such power; or
- (b) any of the Secured Liabilities remain outstanding and/or are due and payable or be concerned with notice to the contrary and the title and position of such a purchaser or other person shall not be impeachable by reference to any of those matters.

16.2 Receipt Conclusive

The receipt of the Security Agent or any Receiver shall be an absolute and a conclusive discharge to a purchaser, and shall relieve him of any obligation to see to the application of any moneys paid to or by the direction of the Security Agent or any Receiver.

17. REINSTATEMENT AND RELEASE

17.1 Amounts Avoided

If any amount paid by a Chargor in respect of the Secured Liabilities is capable of being avoided or set aside on the liquidation or administration of the relevant Chargor or

otherwise, then for the purposes of this Debenture that amount shall not be considered to have been paid.

17.2 Discharge Conditional

Any settlement or discharge between a Chargor and any Secured Party shall be conditional upon no security or payment to that Secured Party by that Chargor or any other person being avoided, set aside, ordered to be refunded or reduced by virtue of any provision or enactment relating to insolvency and accordingly (but without limiting the other rights of that Secured Party under this Debenture) that Secured Party shall be entitled to recover from that Chargor the value which that Secured Party has placed on that security or the amount of any such payment as if that settlement or discharge had not occurred.

17.3 Covenant To Release

Once all the Secured Liabilities have been irrevocably paid in full and none of the Security Agent nor any Secured Party has any actual or contingent liability to advance further monies to, or incur liability on behalf of, any Chargor, under any Finance Document, the Security Agent and each Secured Party shall, at the request and cost of each Chargor, execute any documents (or procure that its nominees execute any documents) or take any action which may be necessary to release the Charged Property from the Security constituted by this Debenture.

18. CURRENCY CLAUSES

18.1 Conversion

All monies received or held by the Security Agent or any Receiver under this Debenture may be converted into any other currency which the Security Agent considers necessary to cover the obligations and liabilities comprised in the Secured Liabilities in that other currency at the Security Agent's spot rate of exchange then prevailing for purchasing that other currency with the existing currency.

18.2 No Discharge

No payment to the Security Agent (whether under any judgment or court order or otherwise) shall discharge the obligation or liability of the relevant Chargor in respect of which it was made unless and until the Security Agent has received payment in full in the currency in which the obligation or liability is payable or, if the currency of payment is not specified, was incurred. To the extent that the amount of any such payment shall on actual conversion into that currency fall short of that obligation or liability expressed in that currency, the Security Agent shall have a further separate cause of action against the relevant Chargor and shall be entitled to enforce the Security constituted by this Debenture to recover the amount of the shortfall.

19. SET-OFF

19.1 Set-off rights

The Security Agent may set off any matured obligation due from a Chargor under the Finance Documents (to the extent beneficially owned by the Security Agent) against any matured obligation owed by the Security Agent to that Chargor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Security Agent may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

19.2 Unliquidated Claims

If, at any time after notice demanding payment of any sum which is then due but unpaid in respect of the Secured Liabilities has been given by the Security Agent to any Chargor, the relevant obligation or liability is unliquidated or unascertained, the Security Agent may set-off the amount which it estimates (in good faith) will be the final amount of that obligation or liability once it becomes liquidated or ascertained.

19.3 No Set-off

The Chargors will pay all amounts payable under this Debenture without any set-off, counterclaim or deduction whatsoever unless required by law, in which event the Chargors will pay an additional amount to ensure that the payment recipient receives the amount which would have been payable had no deduction been required to have been made.

20. RULING OFF

If the Security Agent or any other Secured Party receives notice of any subsequent Security or other interest affecting any of the Charged Property (except as permitted by the Facility Agreement) it may open a new account for the relevant Chargor in its books. If it does not do so then (unless it gives express notice to the contrary to the relevant Chargor), as from the time it receives that notice, all payments made by the relevant Chargor to it (in the absence of any express appropriation to the contrary) shall be treated as having been credited to a new account of the relevant Chargor and not as having been applied in reduction of the Secured Liabilities.

21. REDEMPTION OF PRIOR CHARGES

The Security Agent may, on and at any time after the occurrence of an Enforcement Event, redeem any prior Security on or relating to any of the Charged Property or procure the transfer of that Security to itself, and may settle and pass the accounts of any person entitled to that prior Security. Any account so settled and passed shall (subject to any manifest error) be conclusive and binding on each Chargor. Each Chargor will on demand pay to the Security Agent all principal monies and interest and all losses incidental to any such redemption or transfer.

22. CHANGES TO PARTIES

22.1 Assignment by the Security Agent

The Security Agent may at any time assign or otherwise transfer all or any part of its rights under this Debenture in accordance with the Finance Documents.

22.2 Changes to Parties

Each Chargor authorises and agrees to changes to parties under clause 23 (*Changes to the Lenders*) of the Facility Agreement and authorises the Security Agent to execute on its behalf any document required to effect the necessary transfer of rights or obligations contemplated by those provisions.

22.3 New Subsidiaries

Each of the Chargors will procure that any new Subsidiary of it which is required to do so by the terms of the Facility Agreement executes a Security Accession Deed.

22.4 Consent of Chargor

- (a) Each Chargor consents to new Subsidiaries becoming Chargor as contemplated by Clause 22.3 above.
- (b) Each Chargor confirms that the execution of any Security Accession Deed by a new Subsidiary will in no way prejudice or affect the security granted by each of them under (and the covenants given by each of them in), this Debenture and that this Debenture shall remain in full force and effect as supplemented by any such Security Accession Deed.
- (c) Each Chargor further confirms that the execution of any other supplemental security document by a Chargor will in no way prejudice or affect the security granted by each of them under (and the covenants given by each of them in), the Debenture and that the Debenture shall remain in full force and effect as supplemented by any such supplemental security document.

23. AMENDMENTS AND WAIVERS

- (a) Any term of this Debenture may be amended or waived only in accordance with clause 35 (*Amendments and waivers*) of the Facility Agreement.
- (b) For the purposes of this Clause 23, references in clause 35 (*Amendments and waivers*) of the Facility Agreement to an Obligor or a Party will be deemed to include Holdco and any other Chargor under this Debenture.

24. MISCELLANEOUS

24.1 Certificates Conclusive

A certificate or determination of the Security Agent as to any amount payable under this Debenture will be conclusive and binding on each Chargor, except in the case of manifest error.

24.2 Counterparts

This Debenture may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Debenture. Each counterpart is an original, but all counterparts shall together constitute one and the same instrument. Delivery of a counterpart of this Debenture by e-mail attachment shall be an effective mode of delivery.

24.3 Invalidity of any Provision

If any provision of this Debenture is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired in any way.

24.4 Failure to Execute

Failure by one or more parties ("**Non-Signatories**") to execute this Debenture on the date hereof will not invalidate the provisions of this Debenture as between the other Parties who do execute this Debenture. Such Non-Signatories may execute this Debenture on a subsequent date and will thereupon become bound by its provisions.

25. GOVERNING LAW AND JURISDICTION

- (a) This Debenture and any non-contractual claims arising out of or in connection with it shall be governed by and construed in accordance with English law.

26. ENFORCEMENT

The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.
- (b) The Parties agree that, for the benefit of the Secured Parties only, nothing in this Debenture shall limit the right of the Secured Parties to bring any legal action against any of the Chargors in any other court of competent jurisdiction.

26.2 Service of process

- (a) Without prejudice to any other mode of service allowed under any relevant law, each Chargor irrevocably appoints the Process Agent as its agent for service of process in relation to any proceedings before the English courts in connection with this Debenture.
- (b) Each Chargor hereby irrevocably and unconditionally agrees that:
 - (i) failure by any agent for service of process to give notice of process served on it shall not impair the validity of such service or of any judgment based on that service; and
 - (ii) nothing in this Deed shall affect the right to serve process in any other manner permitted by law.
- (c) If any person appointed as an agent for service of process is unable for any reason to act as agent for service of process, the Chargors must immediately

(and in any event within five (5) Business Days of such event taking place) appoint another agent on terms acceptable to the Security Agent (acting on the instructions of the Majority Lenders (as defined in the Facility Agreement)).
