ASSIGNMENT

WHEREAS, Jamdeo Canada Ltd., a corporation organized and existing under the laws of Canada, having a place of business at 2305 Wyecroft Road, Suite 200, Oakville, Ontario L6L 6R2, Canada, hereinafter the "Assignor," is an owner of the entire right, title and interest in the inventions described in the United States patent applications identified in Appendix A, and all patents which may be obtained for the inventions, as set forth below:

WHEREAS, Qingdao Hisense Electronics Co., Ltd., a corporation organized and existing under the laws of P.R. China, having a place of business at No. 218, Qianwangang Road, Qingdao Economic & Technology Development Zone, Qingdao, Shandong 266555, China, the "Assignee," desires to acquire the entire right, title and interest in the inventions and the patent applications identified above, and all patents which may be obtained for the inventions, as set forth below:

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other valuable and legally sufficient consideration, the receipt of which by the Assignors from the Assignees is acknowledged, the Assignors have sold, assigned and transferred, and by these presents sell, assign and transfer to the Assignees, the entire right, title and interest for the United States in the inventions and the patent applications identified above, and any patents that may issue for the inventions in the United States; with the entire right, title and interest in the inventions and all patent applications and patents issuing therefrom in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; with the entire right, title and interest in all continuations, divisions, renewals and extensions of any of the patent applications and patents defined above; with the right to recover all damages, including, but not limited to, a reasonable royalty, by reason of past, present, or future infringement or any other violation of patent or patent application rights; to have hold for the sole and exclusive use and benefit of the

Assignees, their successors and assigns, to the full end of the term or terms for all such patents.

The Assignors covenant and agree, for both the Assignors and the Assignors' legal representatives, that the Assignors will assist the Assignees in the prosecution of the patent application identified above; in the making and prosecution of any other patent applications that the Assignees may elect to make covering the inventions identified above; in vesting in the Assignees exclusive title in all such other patent applications and patents; and that the Assignors will execute and deliver to the Assignees all additional papers which may be requested by the Assignees to carry out the terms of this Assignment.

The Commissioner of Patents and Trademarks is authorized and requested to issue patents to the Assignees under the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignors have executed this agreement.
