## PATENT ASSIGNMENT

WHEREAS, Jay Fanelli, residing at 431 Lenox CT, Pleasant Hill, CA 94523, has invented certain new and useful improvements and filed a patent application entitled: STROLLER HANDLES, Application No. 29/713,528, filed on the 15th day of November, 2019; and now issued as United States Patent No. D929,271;

WHEREAS, Joseph J. Fanelli III (hereinafter "ASSIGNEE"), residing at 1001 E. Playa del Norte Dr. #3502, Tempe AZ, 85288, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent that may be granted therefore in the United States and its territorial possessions and in and in any and all foreign countries;

NOW, THEREFORE, in consideration of the sum of ONE DOLLAR (\$1.00), the receipt whereof is hereby acknowledged, and for other good and valuable consideration, I, by these presents do sell, assign and transfer onto said ASSIGNEE, the full and exclusive right to the said invention in the United States and its territorial possessions and in all foreign countries (including the right to claim priority under the terms of the International Convention and other relevant International Treaties and Arrangements from the aforesaid application and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possessions and in any and all foreign countries and in and to any and all divisions, reissues, continuations, substitutions and renewals thereof.

I hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and any and all foreign countries to issue any and all of said Letters Patent, when granted, to said ASSIGNEE as the assignee of my entire right, title and interest in and to the same, for the sole use and benefit of said ASSIGNEE, his successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.

Further, I hereby assign and transfer any and all claims and causes of action that may occur before as well as on or after, the date of the Assignment, including all rights to and claims for

damages and all other available remedies, for past, as well as present and future, infringement of said patent, with the right but no obligation to sue for such relief and to collect, or otherwise recover, any such damages.

FURTHER, I agree that I will communicate to said ASSIGNEE or his representatives any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, substitute, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said ASSIGNEE, make all rightful oaths, and generally do everything possible to aid said ASSIGNEE, his successors and assigns, to obtain and enforce proper protection for said invention in the United States and its territorial possessions and in any and all foreign countries. The undersigned hereby grants the firm of NWAMU, P.C. of 360 Grand Avenue, #109, Oakland, CA 94610, the power to insert on this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
