ASSIGNMENT

THIS APPLICATION ASSIGNMENT is made from the undersigned inventors (hereinafter, **Assignors**) to Terra Studio LTD., an Israeli company having Company ID 516175510 having an address of 99 Medinat Hayehudim St., Herzliya, 4676677, Israel (hereinafter, **Assignee**).

WHEREAS the Assignors have made an invention that is described in a patent application entitled

TESSELLATED CERAMIC APPARATUS FOR PLANT GROWTH

identified as docket 724-1.1 of Glazberg, Applebaum & Co. (hereinafter, the **Invention**) for which Patent Applications were filed, including U.S. Patent Application No. 16/411,514, PCT Patent Application PCT/IB2020/055488 and national phases thereof, including but not limited to IL Patent Application No. 288087, EP Application No. 20805231.6, CN Application No. 364316095, JP Application No. PA-48152 (hereinafter, separately and jointly, the **Patent Application**),

Now therefore and for good and valuable consideration to the assignors, receipt of which is hereby acknowledged, the Assignors agree to assign, and hereby do assign, to the Assignee the entire right, title and interest in and to the Invention, including, without limitation, the Patent Application and all other provisional and non-provisional applications deriving from the Patent Application, and including any original and/or reissued Letters Patent of the United States granted for the Invention and any divisions, reissues, continuations, continuations-in-part and extensions of any such patent application(s), and including any patents, utility models or other forms of protection of industrial property that may be granted in relation to the Invention in any other country, and including the rights to file and prosecute all applications for patents, utility models and other forms of protection of industrial property in the United States and other countries and to claim priority from the Patent Application in the United States and in any other country, and including the subject matter of any and all claims which may be obtained in such patents and the right to enforce such patents.

The Assignors hereby authorize and request the Commissioner of Patents to issue any and all Letters Patents of the United States resulting from the Patent Application and any divisions, reissues, continuations, continuations-in-part thereof to the Assignee, as Assignee of the entire interest, and likewise authorize officials of other countries to issue patents and other forms of industrial property protection to the Assignee.

The Assignors hereby covenant that they have full right to convey the entire interest herein assigned, and that they have not executed and will not execute any agreement in conflict herewith.

The Assignors agrees to execute all papers in connection with the abovementioned patent application and any applications filed as divisions, reissues, continuations, or continuations-in-part thereof or otherwise deriving from the abovementioned patent application, including separate assignments in connection with such applications, that the Assignee may deem desirable for the purposes of obtaining, protecting and enforcing its rights in the Invention.

the Assignors agree to communicate to the Assignee or representatives thereof any facts known to him or her respecting the Invention and improvements thereof, and will, upon request, but without expense to him or her, testify in any legal proceedings regarding the invention and provide any other assistance deemed necessary by the Assignee to obtain, protect and enforce its rights in the Invention.

This Assignment shall be binding upon the heirs, executors, administrators, and assigns of each of the Assignors, and shall inure to the benefit of the heirs, executors, administrators, successors and assigns of the Assignee.

The Assignors covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
