Further, Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representatives and assigns will perform all lawful acts, including the execution of papers and the giving of testimony, that might be necessary or desirable for obtaining, sustaining, reissuing, or enforcing Letters Patents in the United States and throughout the world for the inventions, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to the inventions, the application(s), and any Letters Patent(s) granted for the inventions in the United States and throughout the world.
