Whereas, **Black & Decker Inc.**, a corporation organized and existing under the laws of Delaware and having a place of business at 1000 Stanley Drive, New Britain, Connecticut, 06053, is desirous of acquiring the entire right, title, and interest in and to said invention and in and to any Letters Patent that may be granted therefor in the United States and in any and all foreign countries; and whereas each undersigned inventor desires to grant to **Black & Decker Inc.**, the entire worldwide right, title, and interest in and to the Invention and in and to any and all patent applications and patents directed thereto including but not limited to all nonprovisional, divisional, continuing, reexamination, and reissue applications.
