ASSIGNMENT

WHEREAS, we, **Eric Domingos** and **James Miller**, whose addresses are set forth below, have invented certain improvements in:

A LIGHTED VAGINAL SPECULUM

described and claimed in a provisional application filed with the U.S. Patent Office on **4 September 2018** as **Serial Number 62/726,949** for Letters Patent of the United States of America thereon.

WHEREAS, **Cyalume Technologies, Inc.**, a Delaware Corporation, whose principal address is **96 Windsor Street, West Springfield, MA 01089** ("**Cyalume**") is to acquire the entire right, title and interest in and to said invention and said application for Letters Patent;

NOW, THEREFORE, in consideration of the sum of ONE DOLLAR (\$1.00) to us in hand paid, and for other good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, we do hereby assign, sell, transfer and set over unto **Cyalume**, its successors and assigns, the full, entire and exclusive right, title and interest, for the territory of the United States of America and for all foreign countries, in and to said invention, as described in the application(s) identified above, and in and to said application and any provisional, non-provisional application divisions or continuations or continuations-in-part thereof or substitutes therefor which may be filed, and in and to any patents or reissues, renewals or extensions thereof which may be granted on said application or for said invention, and in and to any patent application which may be filed on said invention in countries foreign to the United States of America and any patents granted thereon; said invention, applications, and Letters Patent to be held and enjoyed by **Cyalume** and its successors or assigns, to the full end of the term or terms for which said Letters Patent may be granted, as fully and entirely as the same would have been held by ourselves had this assignment not been made.

We hereby authorize and request the United States Patent Office officials in the United States of America and the Patent Office officials of any and all foreign countries to issue any and all of said Letters Patent, when granted to **Cyalume**, as the assignee of my entire right, title and interest in and to the same, for the sole use and enjoyment of **Cyalume** and its successors and assigns.

Further, we agree to execute all papers and to give such lawful testimony and to perform such other lawful acts as **Cyalume** and its successors and assigns may require to enable it to procure Letters Patent on said invention or reissues or extensions thereof in the United States of America and/or in any foreign country, and/or to hold, enforce or convey said Letters Patent, reissues or extensions.

Executed on the 10 day of September 2018 set forth below.
