ASSIGNMENT

WHEREAS, We, Douglas C. Moore, of Chicago, Illinois, Gregory Bunin, of Lake Zurich, Illinois, and Xiaofeng Huang, of Chicago, Illinois, have made a certain new and useful invention entitled "VEHICLE SEAT CONNECTOR ASSEMBLY", including the subject matter described and claimed in the application for Letters Patent of the United States, U.S. Application Serial No. 17/821,671 filed on August 23, 2022, and in International (PCT) Patent Application Serial No. PCT/US2022/ 075323 filed on August 23, 2022, and in U.S. Provisional Patent Application Serial No. 63/236,506, filed August 24, 2021; and

WHEREAS, CTS CORPORATION, a corporation duly organized under the laws of the State of Indiana and doing business in the City of Lisle, the County of DuPage and the State of Illinois, is desirous of acquiring the full and exclusive right, title and interest which I have or may have in and to the invention, design, and the applications, including any continuation and any division of the application, and any Letters Patent of the United States and of foreign countries that may be granted for the invention and the design, and any renewal, any reissue and any extension of any such Letters Patent;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN:

Be it known that for good and valuable consideration, we do hereby assign to CTS CORPORATION all the right, title and interest which we have or may have in and to the invention, design, and the applications and any Letters Patent of the United States and of foreign countries that may be granted for the invention and the design and any continuation, division, renewal, reissue, and any extension of any such Letters Patent; the same to be held and enjoyed by CTS CORPORATION, its successors, legal representatives and assigns, as fully and entirely as the same would have been held and enjoyed by us if this assignment had not been made; and we hereby covenant and warrant that we have not executed and will not execute any instrument purporting to convey, mortgage, lease or otherwise transfer all, or any part of the interest, to anyone other than CTS CORPORATION, its successors, legal representatives and assigns.

And, for the above consideration, we hereby covenant and agree that we will, at the request of CTS CORPORATION, its successors, legal representatives and assigns, execute any and all renewal, continuation and divisional applications, both United States and foreign, for Letters Patent for the invention and design; and any and all applications for the renewal, the reissue and the extension of any Letters Patent, both United States and foreign, that may be granted for the invention and the design and do any and all other and further acts to obtain any such Letters Patent, and any renewal, any reissue and any extension of the same that CTS CORPORATION, its successors, legal representatives and assigns may deem necessary or expedient, without further compensation, but at the expense of CTS CORPORATION, its successors, legal representatives and assigns.
