DEED OF ASSIGNMENT OF PATENT APPLICATION

DATE:

PARTIES:

- (1) The "Assignor": **Jean-Luc RABAULT and François BELOUIN, of Mondelez France R&D SAS, 6 rue René Razel, 91400, Saclay, France**
- (2) The "Assignee": **Mondelez France R&D SAS, 6 rue René Razel, 91400, Saclay, France**

BACKGROUND:

- (A) the Assignors claims to be the inventors of the Invention (hereafter called "the Invention") described in the specification accompanying the application for a patent, details of which are set out in the Schedule hereto (hereinafter called "the Scheduled Application")
- (B) the Assignors have agreed with the Assignee to assign or confirm (as the case may be) to the Assignee the Invention as set out in this agreement

OPERATIVE PROVISIONS:

1. In consideration of the sum of (1) Euro paid by the Assignee to the Assignors (receipt of which the Assignors hereby acknowledge) the Assignors hereby assign unto the Assignee to the extent of their right, title and interest therein (if any):
 - (i) the whole of the property in the invention and all and any rights which he may have therein and the full and exclusive benefit thereof;
 - (ii) the right to apply for and obtain a patent or other forms of protection in respect of the invention in France and throughout the world (including the right to make a further application in respect of any part or parts of the matter contained in any earlier application);
 - (iii) the scheduled application and any other existing or future application for a patent or other forms of protection in any part of the world made in respect of the invention and all rights in or under such application;
 - (iv) any patent or other forms of protection whenever granted in respect of the invention in any part of the world together with the right to bring proceedings for any previous infringement or for any previous act.

TO HOLD the same unto the Assignee absolutely

2. The Assignors hereby covenant and agree with the Assignee as follows:-
 - (i) that they are the sole inventors of the Invention;
 - (ii) that they have not assigned or agreed to assign to any person, firm or company or otherwise encumbered the Invention or any other part of the property and rights assigned by this agreement;
 - (iii) that they have not disclosed and will not disclose the Invention or any information whatsoever concerning the same to any person firm or company other than the Assignee or as it shall direct or permit;
 - (iv) that they will give to the Assignee all information in their possession or in their power relating to the Invention and the method of using or employing the same as the Assignee shall require;
 - (v) that they will as and when requested by the Assignee so to do execute sign and do all such instruments, applications, documents, acts and things as may be required by the

Assignee to enable the Assignee or its nominee to enjoy the full benefit of the invention and of the property rights hereby assigned and to apply for and obtain a patent or other forms of protection in respect of the invention throughout the world and fully and effectively to vest the same in the Assignee or as it shall direct.

3. Nothing in this agreement shall prejudice such right, if any, as the Assignors may have to make application for an award of compensation in respect of the invention.
4. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto, their respective successors and assigns as well as any subsidiary companies of the parties hereto.
5. The parties will co-operate and consult with one another in good faith, if necessary in the future to carry out the intent of this agreement.
6. This Agreement shall be governed by and construed in accordance with the laws of France and the parties for this purpose hereby submit to the exclusive jurisdiction of the Courts of France.

IN WITNESS whereof the parties have executed this document on the date first above written.
