THIS DEED is dated: 30th June

2023

BETWEEN:

- (1) Nigel Henry Cannings, of St Clare House, 30-33 Minories Street, London, EC3N 1DD, United Kingdom (the “Assignor”); and
- (2) Intelligent Voice Limited, a company incorporated in England and Wales with company number 02353541, whose registered office address is St Clare House, 30-33 Minories Street, London, EC3N 1DD, United Kingdom (the “Assignee”).

WHEREAS:

- a. The Assignor and Assignee are the joint registered proprietors of patent(s) and/or applicant for registration of the patent application(s), brief details of which are set out in the schedule hereto (the “Patents”).
- b. The Assignor has agreed to confirm and assign all of its rights, title and interest in and to the Patents to the Assignee, to the extent that the Assignor owns the property independent of the Assignee, so as to render the Assignee the sole proprietor of the Patent.

NOW IT IS HEREBY AGREED AS FOLLOWS:

1. ASSIGNMENT

On the terms set out in this deed, the Assignor hereby assigns to the Assignee, absolutely with full title guarantee, all its right, title and interest in and to the Patents, and in and to all and any inventions disclosed in the Patents, including:

- a) the right to claim priority from and to prosecute and obtain grant of patent; and the right to file divisional applications based thereon and to prosecute and obtain grant of patent on each and any such divisional application;
- b) in respect of each and any invention disclosed in the Patents, the right to file an application, claim priority from such application, and prosecute and obtain grant of patent or similar protection in or in respect of any country or territory in the world;
- c) the right to extend to or register in or in respect of any country or territory in the world each and any of the Patents, and each and any of the applications filed as aforesaid, and to extend to or register in, or in respect of, any country or territory in the world any patent or like protection granted on any of such applications.
- d) the absolute entitlement to any patents granted pursuant to any of the applications filed as aforesaid; and
- e) the right to bring, make, oppose, defend, appeal proceedings, claims or actions and obtain relief (and to retain any damages recovered) in respect of any infringement, or any other cause of action arising from ownership, of any of the Patents or any patents granted on any of the applications [in the Patents or] filed as aforesaid, whether occurring before on or after the date of this deed.

2. FURTHER ASSURANCES

The Assignor shall, on being requested to do so by the Assignee and at the cost and expense of the Assignee, execute all such documents as may be necessary for giving full effect to this Assignment and securing to the Assignee the full benefits of the rights in this Assignment.

3. IMPROVEMENTS

If the Assignor makes, devises, or discovers, or otherwise acquires rights in, any Improvement it shall, to the extent that it is not prohibited by law or by any obligation to any other person, promptly notify the Assignee in writing, giving details of the Improvement and shall, if the Assignee so requests, enter into good faith negotiations with a view to assigning its rights in the Improvement to the Assignee.

4. WARRANTIES

The Assignor warrants that:

- a. it is the sole legal owner of the Patents and it is properly registered as the applicant or proprietor;
- b. all application, registration and renewal fees in respect of each of the Patents have been paid;
- c. it has not assigned or licensed any of the rights under the Patents;
- d. each Patent is free from any security interest, option, mortgage, charge or lien;
- e. it is unaware of any infringement or likely infringement of, or any challenge or likely challenge to the validity of, any of the Patents or of anything that might render any of the Patents invalid or subject to a compulsory license order or prevent any application in the Patents proceeding to grant;
- f. so far as it is aware, exploitation of the Patents will not infringe the rights of any third party; and
- g. all previous assignments of the Patents are valid and were registered within applicable time limits.

5. INDEMNITY

5.1 The Assignor shall indemnify the Assignee against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other reasonable professional costs and expenses) suffered or incurred by the Assignee arising out of or in connection with:

- (a) any breach by the Assignor of the warranties in clause 4 above;
- (b) the enforcement of this deed.

- 5.2 At the request of the Assignee and at the Assignor's own expense, it shall provide all reasonable assistance to enable the Assignee to resist any claim, action or proceedings brought against the Assignee as a consequence of that breach.
- 5.3 This indemnity shall apply whether or not the Assignee has been negligent or at fault.
- 5.4 If a payment due from the Assignor under this clause is subject to tax (whether by way of direct assessment or withholding at its source), the Assignee shall be entitled to receive from the Assignor such amounts as shall ensure that the net receipt, after tax, to the Assignee in respect of the payment is the same as it would have been were the payment not subject to tax.
- 5.5 Nothing in this clause shall restrict or limit the Assignee's general obligation at law to mitigate a loss it may suffer or incur as a result of an event that may give rise to a claim under this indemnity.

6. ENTIRE AGREEMENT

- 6.1 This deed constitutes the entire agreement between the parties.
- 6.2 Each party acknowledges that in entering into this deed it does not rely on any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in this deed. Each party agrees that it shall have no claim for innocent or negligent misrepresentation [or negligent misstatement] based on any statement in this deed.

7. THIRD PARTY RIGHTS
