ASSIGNMENT OF PATENT RIGHTS

For valuable consideration, Telepathy Labs, Inc., a Delaware corporation, having a place of business at 3001 North Rocky Point Drive East, Suite 200, Tampa, Florida 33607 hereby assign to Telepathy IP Holdings, a Cayman Islands exempt corporation, with its principal place of business at: P.O. Box 309, Uglund House, Grand Cayman, Cayman Islands, the entire right, title and interest throughout the world in the inventions and improvements which are subject of applications, as outlined in the attached Schedule A, at the United States Patent and Trademark Office; this assignment including said applications, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said applications under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and we agree for ourselves and our respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.
