## ASSIGNMENT

WHEREAS We, are the below-named inventors (hereinafter referred to as Assignors), of the application identified below;

Provisional Application No.	Filing Date	Title	Confirmation No.	Country of Filing
63/320,454	16 March 2022	QUANTUM COMPUTATION	7363	US

WHEREAS, **QUANTUM SOURCE LABS LTD.**, a corporation of **Israel** whose post office address is 20 Lincolns, Tel Aviv-Jaffa, 6713412, Israel (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to each and every invention described and/or claimed in the Application(s) (collectively referred to herein as "the Disclosed Inventions") in all countries throughout the world, and in and to all applications for patents thereon in all countries throughout the world, and all PCT International Applications and all national stage applications based thereon that may be filed, and all patents issued upon such applications in all countries throughout the world;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, We, as Assignors, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my/our entire right, title, and interest in and to the Disclosed Inventions as described and/or claimed in 1) the above-referenced application, 2) any national application, 3) any Patent Cooperation Treaty (PCT) international application, 4) all national stage applications based on any such PCT international application, 5) any other applications for patents or utility models filed anywhere in the world, 6) all divisions, and continuations of any of the forgoing applications, 7) all patents which may be granted on any of the foregoing, 8) all reissues of any of the foregoing, 9) all rights to claim priority in any country on the basis of any such applications and/or the above-referenced application, 10) all extensions, renewals, and reissues of any of the foregoing; and We hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any other country whose duty it is to issue patents on applications as described above, to issue all Letters Patent or Utility Model for the Disclosed Inventions to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, WE covenant that We have the full right to convey the interest assigned by this Assignment, and We have not executed and will not execute any agreement in conflict with this Assignment;

AND, WE further covenant and agree that We will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me/us respecting the Disclosed Inventions, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to any and all of the Disclosed Inventions in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for the Disclosed Inventions in the United States and any other country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.
