**PATENT SECURITY AGREEMENT**

**October 6, 2023**

WHEREAS, Sunbelt Solomon Services, LLC, a Kansas limited liability company (herein referred to as the “**Grantor**”) owns, the Patent Collateral (as defined below);

WHEREAS, TCP Sunbelt Acquisition Co., a Delaware corporation (the “**Borrower**”), TCP Sunbelt Intermediate Holdings, LLC, a Delaware limited liability company, as Holdings, the Lenders from time to time party thereto, and Capital One, National Association, as Administrative Agent and Collateral Agent, are parties to that certain Credit Agreement, dated as of September 29, 2023 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Credit Agreement**”); and

WHEREAS, pursuant to that certain Security Agreement, dated as of October 6, 2023, (as amended and/or supplemented from time to time, the “**Security Agreement**”) among the Borrower, the Guarantors party thereto and Capital One, National Association, as Collateral Agent for the Secured Parties referred to therein (in such capacity, together with its successors and permitted assigns in such capacity, the “**Grantee**”), the Grantor has secured certain of its obligations (its “**Secured Obligations**”) by granting to the Grantee for the benefit of such Secured Parties a continuing security interest (the “**Transaction Liens**”) in certain personal property of the Grantor, including all right, title and interest of the Grantor in, to and under the Patent Collateral (as defined below).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor grants to the Grantee, to secure its Secured Obligations, a continuing security interest in all of the Grantor’s right, title and interest in, to and under the following to the extent it constitutes Collateral (including giving effect to the proviso in Section 2(a) thereof) (all of the following items, to the extent constituting Collateral being herein collectively referred to as the “**Patent Collateral**”), whether now owned or existing or hereafter acquired or arising:

- (i) each Patent owned by the Grantor and identified in Schedule 1 hereto; and
- (ii) all Proceeds of the foregoing.

This Patent Security Agreement shall not constitute a grant of a security interest in any property to the extent that and for as long as such property is excluded as Collateral by the terms of the Security Agreement, including in any Excluded Property.

The Grantor irrevocably appoints the Grantee its true and lawful attorney, with full power of substitution, in the name of the Grantor, any Secured Party or otherwise, for the sole use and benefit of the Secured Parties, but at the Borrower’s expense, to the extent permitted by Law to exercise, at any time and from time to time while any Event of Default shall have occurred and be continuing all or any of the powers provided for in Section 15 of the Security Agreement with respect to all or any of the Patent Collateral.

The foregoing security interest has been granted under the Security Agreement. The Grantor acknowledges and affirms that the rights and remedies of the Grantee with respect to the security interest in the Patent Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of a conflict between the Security Agreement and this Patent Security Agreement, the terms of the Security Agreement shall control.

Upon termination of the Transaction Liens in the Patent Collateral pursuant to the Security Agreement, the security interests granted hereby shall automatically terminate and be released, and the Grantee will, at the expense of the Grantor, execute and deliver to the Grantor such documents, and take such other actions, as the Grantor shall reasonably request to evidence the termination of the security interests granted hereby.

Capitalized terms used but not defined herein but defined in the Security Agreement are used herein with the respective meanings provided for therein.

IN WITNESS WHEREOF, the Grantor has caused this Patent Security Agreement to be duly executed by its officer thereunto duly authorized as of the date first written above.
